The parties agree that Axon is granting a refund of \$39,332.25 to refund paid, but undelivered services. This discount is based on a ship date range of 11/1/2023 - 11/15/2023, resulting in a 12/1/2023 license date. Any change in this date and resulting license start date will result in modification of this discount value which may result in additional fees due to or from Axon.

The parties agree that Axon is charging a debit of \$89,370.65 for delivered, but unpaid hardware. This debit is based on a ship date range of 11/1/2023 - 11/15/2023, resulting in a 12/1/2023 license date. Any change in this date and resulting license start date will result in modification of this debit value which may result in additional fees due to or from Axon.

This credit is contingent upon agency payment of any outstanding invoices.

100% discounted body-worn camera and docking station hardware (deferred until March 2024) contained in this quote reflects a TAP replacement for hardware purchased under existing contract #00053438. All TAP obligations from this contract will be considered fulfilled upon execution of this quote.
