File ID: 2026-00004 1/13/2026

Cooperative Purchase Agreement: License Plate Recognition Systems [Published for 10-day Review 12/30/2025]

File ID: 2026-00004

Location: Citywide

Recommendation: Pass a **Motion**: 1) approving the use of the Omnia Partners cooperative purchasing agreement with EyeP Solutions, Inc. (Contract No. R250204) for the purchase of license plate recognition systems with installation by authorized reseller, EyeP Solutions, Inc as contracted through Genetec; and 2) authorizing the City Manager or designee to execute a contract with EyeP Solutions, Inc. in an amount not to exceed $1 million through March 31, 2030 - the entirety of the Omnia Partners contract term, or until the cooperative purchase agreement is no longer available; and execute the purchases specified above provided that sufficient funds are available in the budget adopted for the applicable fiscal year.

1-Description/Analysis
2-Agreement

Description/Analysis
Issue Detail: The Department of Public Works, Fleet Management Division, is procuring License Plate Recognition (LPR) systems for installation on replacement vehicles to support the operational needs of the Parking Services Division. These LPR systems are essential for supporting core operational duties such as real-time parking enforcement, vehicle inventory audits, permit verification, and identification of vehicles that are associated with violations.
EyeP Solutions, Inc. is the provider of the required LPR technology and is authorized to perform the necessary installation services. This action authorizes a new contract with EyeP Solutions, Inc. for the purchase and installation of LPR software and hardware, to be deployed as new vehicles are acquired for replacement within the Parking Services fleet.

Policy Considerations: The recommendations in this report are in accordance with City Code Chapter 3.56 which requires City Council approval of actions of $250,000 or more and which provides for the use of cooperative purchase agreements without competitive bidding (Section 3.56.240) and in accordance with the Sacramento City Code Section 4.04.020 and Council's Rules of Procedure (Chapter 7, Section E.2.d) unless waived by a 2/3 vote of the City Council, all labor agreements and all agreements greater than $1,000,000 shall be posted on the City's website and be made available to the public at least 10 days prior to council action. This item was published for 10-day review on December 30, 2025, in compliance with City Code.

Economic Impacts: None.

Environmental Considerations: No environmental review is necessary because the recommendations in this report involve the purchase of equipment for vehicles and is not considered to be a project in accordance with Section 15378(b)(2) of the California Environmental Quality Act Guidelines.

Sustainability: Not applicable.

Commission/Committee Action: None.

Rationale for Recommendation: The Department of Public Works, Fleet Management Division, is procuring replacement vehicles for the Parking Services Division. As part of this effort, License Plate Recognition (LPR) systems are required to support essential operational duties, including real-time parking enforcement, vehicle inventory audits, permit verification, and the identification of scofflaw vehicles.

EyeP Solutions, Inc. is a new vendor capable of providing the necessary LPR software and installation services at a lower cost than the previous provider. This contract will authorize the purchase and installation of LPR systems on an as-needed basis as new vehicles are acquired for replacement.

The LPR systems are expected to enhance operational efficiency and service delivery within the Parking Services Division. EyeP Solutions is an authorized reseller and installer of the required LPR equipment and services.

After evaluating available procurement options, the Fleet Management Division has determined that utilizing a cooperative purchasing agreement through Omnia Partners represents the most advantageous strategy. This contract was competitively bid, and Omnia Partners is able to secure greater manufacturer discounts due to its higher purchasing volume-discounts that would not be available if the City issued its own solicitation.

To maximize cost savings and staff efficiency, the City regularly participates in cooperative purchasing agreements. This approach enhances pricing competitiveness and reduces capital costs through volume buying. It also minimizes administrative overhead associated with procurement, including product research, source selection, advertising, staff reporting, and contract administration.

The City has successfully used both regional and national cooperative purchasing agreements to complement its own contracting efforts. These agreements allow departments to access a broader range of contracting opportunities and to share procurement resources with other jurisdictions, ultimately maximizing value for the City.

Financial Considerations: The recommended purchase in an amount not to exceed $1,000,000 will be made from the Department of Public Works Fiscal Year (FY) 2025/26 operating budget (Fleet Fund, Fund 6501) and will be charged to the Department of Public Works Fleet Project (I06150000). Sufficient funding exists in the Department's FY 2025/26 operating budget to support the recommended purchase. Purchases in subsequent fiscal years is contingent on availability of funding in the adopted budgets for the applicable fiscal years.

Local Business Enterprise (LBE): EyeP Solutions, Inc is not an LBE. The minimum LBE participation requirement is waived for the City's use of cooperative purchase agreements that have been competitively bid, evaluated and awarded by other governmental agencies that may or may not have similar LBE programs.

CONTRACT #: PRC003929
CONTRACT NAME: License Plate Recognition (LPR) System

CITY OF SACRAMENTO
COOPERATIVE/PIGGYBACKING AGREEMENT

The City of Sacramento ("City") and EyeP Solutions, Inc. ("Contractor"), hereby agree to this Cooperative/Piggybacking Purchase Agreement ("Agreement"), effective as of 1/13/26.

WHEREAS, the City wishes to purchase Weapons and Threat Detection Equipment Services and Other Solutions, pursuant to the terms of this Agreement and Contract No. R250204, dated 4/1/2025 (the "Cooperative Contract," which is incorporated herein by this reference), with Omnia Partners ("Cooperative Purchasing Organization").

NOW THEREFORE, Contractor and the City agree as follows:

1. The City agrees to purchase, pursuant to the terms of this Agreement and the Cooperative Contract, LICENSE PLATE RECOGNITION SOFTWARE SYSTEM. In no way shall payment from City to Contractor under this Agreement exceed $1,000,000.

2. Scope of work. [***To be completed by the City representative***] [***Check one or both***]:

   [___] City's purchase of the goods and/or services described herein shall be as set forth in Exhibit __. The goods and/or services shall be delivered to the City no later than . The terms of this Agreement and the Cooperative Contract shall control over any contrary terms included in Exhibit __; and/or

   [_X__] City's purchase of the goods and/or services described herein, including the date(s) of delivery, shall be as set forth in purchase order(s) issued by the City. The terms of this Agreement and the Cooperative Contract shall control over any contrary terms included in a purchase order.

3. The City shall have all the same pricing, terms, conditions, rights, and obligations as the Cooperative Purchasing Organization under the Cooperative Contract.

4. Term. [***To be completed by the City representative***] [***Check one***]:

   [___] The term of this Agreement shall run through .

   [_X__] The term of this Agreement shall run concurrent with the term of the Cooperative Contract. If the Cooperative Purchasing Organization renews or extends the Cooperative Contract by written amendment, then this Agreement will automatically extend, not to go beyond a total term of five years.

   In addition to whichever line above in this Section 4 is checked, (i) the City may terminate this Agreement upon notice to Contractor, and (ii) at any time prior to expiration of this Agreement, the City has the option to extend the term of this Agreement through the term of the Cooperative Contract, inclusive of any renewals and extensions to the Cooperative Contract.

5. Contractor shall defend, hold harmless and indemnify City, its officers and employees, and each and

CITY OF SACRAMENTO
COOPERATIVE/PIGGYBACKING AGREEMENT

every one of them, from and against all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, whether arising on or off the site of the work or services performed under this Agreement or the Cooperative Contract, including, any fees and costs reasonably incurred by City's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including Liabilities for personal injury or death, damage to personal, real or intellectual property, damage to the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement or the Cooperative Contract by Contractor, any subcontractor (including lower-tier subcontractors) or agent of Contractor, their respective officers and employees, and anyone else for whose acts or omissions any of them may be liable, whether or not the Liabilities (i) are caused in part by a party indemnified hereunder, or (ii) are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damages for death or bodily injury to persons, injury to property, or other loss, damage, or expense, to the extent arising from the active negligence or willful misconduct of, or defects in design furnished by, City, its agents, servants, or independent contractors who are directly responsible to City, except when such agents, servants, or independent contractors are under the supervision and control of Contractor or any subcontractor (including lower-tier subcontractors) or agent of Contractor.

6. Insurance Requirements. [***To be completed by the City representative***].
Contractor shall, at Contractor's sole cost and expense and for the full term of this Agreement or any extension thereof, satisfy the following insurance requirements which shall apply to Contractor's performance under this Agreement. [***Check one***]:

[_X_] the insurance limits and obligations contained in the Cooperative Contract. The City shall have all the same rights as the Cooperative Purchasing Organization under the Cooperative Contract. Contractor shall provide the City with certificates of insurance evidencing the insurance required upon request.

[___] the insurance requirements contained in the document titled "Cooperative Agreement Insurance Exhibit" located at: https://www.cityofsacramento.gov/finance/procurement/standard-agreements, which is incorporated herein by reference.

7. Public Work Requirements. [***To be completed by the City representative***].
The services provided under this Agreement include [***Check any if applicable***]:

[___] Construction work in an amount exceeding $25,000;

[___] Land surveying, material testing, or inspection services provided for a City construction project during the design, pre-construction, construction, or post-construction phases of the project; or

[___] Alteration, demolition, repair, or maintenance work in an amount exceeding $15,000.

CITY OF SACRAMENTO
COOPERATIVE/PIGGYBACKING AGREEMENT

If any lines above in this section 7 is checked, this Agreement includes "Public Work" under the California Labor Code and is subject to the additional terms and conditions specified in the document titled "Public Work Requirements" located at: https://www.cityofsacramento.gov/finance/procurement/standard-agreements, which is incorporated herein by reference.

8. This Agreement shall be governed, construed and enforced in accordance with the laws of the State of California, except that the rule of interpretation in California Civil Code section 1654 will not apply. Venue of any litigation arising out of this Agreement will lie exclusively in the state trial court or Federal District Court located in Sacramento County in the State of California, and the parties consent to jurisdiction over their persons and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

9. The Contractor shall be responsible for strict compliance with all applicable laws, regulations, court orders and other legal requirements applicable to the work to be accomplished under this Agreement, including the California Occupational Safety and Health Act and all applicable safety orders issued by the Division of Occupational Safety and Health, Department of Industrial Relations, State of California, and all applicable requirements of Underwriters Laboratories and the Federal Communication Commission.

10. Contractor warrants and represents that the person or persons executing this Agreement on behalf of Contractor has or have been duly authorized by Contractor to sign this Agreement and bind Contractor to the terms hereof.

11. Except as specifically modified herein, all terms and conditions of the Cooperative Contract shall remain in full force and effect, and Contractor shall perform all of the services, duties, obligations, and conditions of the Cooperative Contract as stipulated and modified by this Agreement. Where there is a conflict between the terms and conditions of the Cooperative Contract and this Agreement, this Agreement shall control.

Region 4 Education Service Center (ESC)

Contract # R250204

for

Weapons and Threat Detection Equipment, Services, and Other Solutions

with

Genetec, Inc.

Effective: April 1, 2025

The following documents comprise the executed contract between the Region 4 Education Service Center and Genetec, Inc., effective April 1, 2025:

I. Vendor Contract and Signature Form
II. Supplier's Response to the RFP, incorporated by reference

DRAFT CONTRACT

*This Contract ("**Contract**") is made as of April 1, 2025 by and between Genetec, Inc. ("**Contractor**") and Region 4 Education Service Center ("**Region 4 ESC**") for the purchase of* ***Weapons and Threat Detection Equipment, Services, and Other Solutions*** *(the products and services").*

RECITALS

WHEREAS, Region 4 ESC issued Request for Proposals Number 25-02 for Weapons and Threat Detection Equipment, Services, and Other Solutions ("RFP"), to which Contractor provided a response ("**Proposal**"); and

WHEREAS, Region 4 ESC selected Contractor's Proposal and wishes to engage Contractor in providing the services/materials described in the RFP and Proposal;

WHEREAS, both parties agree and understand the following pages will constitute the Contract between the Contractor and Region 4 ESC, having its principal place of business at 7145 West Tidwell Road, Houston, TX 77092.

WHEREAS, Contractor included, in writing, any required exceptions or deviations from these terms, conditions, and specifications; and it is further understood that, if agreed to by Region 4 ESC, said exceptions or deviations are incorporated into the Contract.

WHEREAS, this Contract consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth below shall control.

WHEREAS, the Contract will provide that any state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("**Public Agencies**") may purchase products and services at prices indicated in the Contract upon the Public Agency's registration with OMNIA Partners.

1) Term of agreement. The initial term of the Contract is for a period of three (3) years unless terminated, canceled or extended as otherwise provided herein. Region 4 ESC shall have the right in its sole discretion to renew the Contract for an additional term of up to two (2) years or for a lesser period of time as determined by Region 4 ESC by providing written notice to the Contractor of Region 4 ESC's intent to renew thirty (30) days prior to the expiration of the original term. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Contract. Notwithstanding the forgoing paragraph, the term of the Contract, including any extension of the original term, shall be further extended until the expiration of any Purchase Order issued under the Contract for a period of up to one year beyond the Contract term.

   The anticipated full term of the contract is five (5) years. The Successful Offeror(s) shall have the right to enter local "service" agreements with Participating Public Agencies accessing the

contract through OMNIA Partners, so long as the effective date of such agreement is prior to the expiration of the Contract. All local agreements may have a full potential term (any combination of initial and renewal periods) not to exceed five years. Any local agreements, job orders, project agreements or maintenance agreements executed against this Master Agreement during the effective term may survive beyond the expiration of the Master Agreement as established and agreed to by both parties.

2) Scope: Contractor shall perform all duties, responsibilities and obligations, set forth in this agreement, and described in the RFP, incorporated herein by reference as though fully set forth herein.

3) Form of Contract. The form of Contract shall be the RFP, the Offeror's proposal and Best and Final Offer(s), Contractor's standard terms and conditions as made available publicly on its website, Authorized dealers and distributors terms and conditions (Which shall apply in addition to, but not in replacement of Contractors terms and conditions).

4) Order of Precedence. In the event of a conflict in the provisions of the Contract as accepted by Region 4 ESC, the following order of precedence shall prevail:

   i. This Contract
   ii. Offeror's Best and Final Offer
   iii. Offeror's proposal
   iv. RFP and any addenda
   v. Contractor's standard terms and conditions
   vi. vi. Authorized dealers and distributors terms and conditions.

5) Commencement of Work. The Contractor is cautioned not to commence any billable work or provide any material or service under this Contract until Contractor receives a purchase order for such work or is otherwise directed to do so in writing by Region 4 ESC.

6) Entire Agreement (Parol evidence). The Contract, as specified above, represents the final written expression of agreement. All agreements are contained herein and no other agreements or representations that materially alter it are acceptable.

7) Assignment of Contract. No assignment of Contract may be made without the prior written approval of Region 4 ESC. Contractor is required to notify Region 4 ESC when any material change in operations is made (i.e., bankruptcy, change of ownership, merger, etc.).

8) Novation. If Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. Region 4 ESC reserves the right to accept or reject any new party. A change of name agreement will not change the contractual obligations of Contractor.

9) Contract Alterations. No alterations to the terms of this Contract shall be valid or binding unless authorized and signed by Region 4 ESC.

10) Adding Authorized Distributors/Dealers. Contractor is prohibited from authorizing additional distributors or dealers, other than those identified at the time of submitting their proposal, to sell under the Contract without notification and prior written approval from Region 4 ESC. Contractor must notify Region 4 ESC each time it wishes to add an authorized distributor or dealer. Purchase orders and payment can be made to the Contractor or tis authorized distributors or dealers with copy of payment confirmation to Contractor being sent in the latter

scenario, unless otherwise approved by Region 4 ESC. Pricing provided to members by added distributors or dealers must also be less than or equal to the Contractor's pricing

11) TERMINATION OF CONTRACT

a) Cancellation for Non-Performance or Contractor Deficiency. Region 4 ESC may terminate the Contract if purchase volume is determined to be low volume in any 12-month period. Region 4 ESC reserves the right to cancel the whole or any part of this Contract due to failure by Contractor to carry out any obligation, term or condition of the contract. Region 4 ESC may issue a written deficiency notice to Contractor for acting or failing to act in any of the following:

i. Providing material that does not meet the specifications of the Contract;
ii. Providing work or material was not awarded under the Contract;
iii. Failing to adequately perform the services set forth in the scope of work and specifications;
iv. Failing to complete required work or furnish required materials within a reasonable amount of time;
v. Failing to make progress in performance of the Contract or giving Region 4 ESC reason to believe Contractor will not or cannot perform the requirements of the Contract; or
vi. Performing work or providing services under the Contract prior to receiving an authorized purchase order.

Upon receipt of a written deficiency notice, Contractor shall have ten (10) days to provide a satisfactory response to Region 4 ESC. Failure to adequately address all issues of concern may result in Contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data and reports prepared by Contractor under the Contract shall immediately become the property of Region 4 ESC.

b) Termination for Cause. If, for any reason, Contractor fails to fulfill its obligation in a timely manner, or Contractor violates any of the covenants, agreements, or stipulations of this Contract Region 4 ESC reserves the right to terminate the Contract immediately and pursue all other applicable remedies afforded by law. Such termination shall be effective by delivery of notice, to the Contractor, specifying the effective date of termination. If such event does occur, Contractor will be entitled to receive just and equitable compensation for the satisfactory work completed on such documents.

c) Delivery/Service Failures. Failure to deliver goods or services within the time specified, or within a reasonable time period as interpreted by the purchasing agent or failure to make replacements or corrections of rejected articles/services when so requested shall constitute grounds for the Contract to be terminated. In the event Region 4 ESC must purchase in an open market, Contractor agrees to reimburse Region 4 ESC, within a reasonable time period, for all expenses incurred.

d) Force Majeure. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The term Force Majeure as employed herein, shall mean acts of God, strikes, lockouts, or other industrial disturbances, act of public enemy, orders of any kind of government of the United States or the State of Texas or any civil or military authority; insurrections; riots;

epidemics; landslides; lighting; earthquake; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty.

e) Standard Cancellation. Region 4 ESC may cancel this Contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. After the 30th business day all work will cease following completion of final purchase order.

12) Licenses. Contractor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by Contractor. Contractor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Contract. Region 4 ESC reserves the right to stop work and/or cancel the Contract if Contractor's license(s) expire, lapse, are suspended or terminated.

13) Survival Clause. All applicable software license agreements, warranties or service agreements that are entered into between Contractor and Region 4 ESC under the terms and conditions of the Contract shall survive the expiration or termination of the Contract. All Purchase Orders issued and accepted by Contractor shall survive expiration or termination of the Contract for a period of up to one year beyond the term of the Contract.

14) Delivery. Delivery timeframe and shipping conditions shall be determined in the applicable ordering document(s) issued between parties for the order in question.

15) Inspection & Acceptance. If defective or incorrect material is delivered, Region 4 ESC may make the determination to return the material to the authorized distributors or dealers. Return of the material shall be organized as agreed between the Public Agency and authorized distributor or dealer at that time.

16) Payments. Payment shall be made in accordance with all provisions of the applicable ordering document, and upon receipt of a properly completed invoice.

17) Price Adjustments. Should it become necessary or proper during the term of this Contract to make any change in design or any alterations that will increase price, Region 4 ESC must be notified immediately. Price increases must be approved by Region 4 ESC and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by manufacturer documentation, or a formal cost justification letter. Contractor must honor previous prices for thirty (30) days after approval and written notification from Region 4 ESC. It is the Contractor's responsibility to keep all pricing up to date and on file with Region 4 ESC. All price changes must be provided to Region 4 ESC, using the same format as was provided and accepted in the Contractor's proposal.

Price reductions may be offered at any time during Contract. Special, time-limited reductions are permissible under the following conditions: 1) reduction is available to all users equally; 2) reduction is for a specific period, normally not less than thirty (30) days; and 3) original price

is not exceeded after the time-limit. Contractor shall offer Region 4 ESC any published price reduction during the Contract term.

18) Audit Rights. Contractor shall, at its sole expense, maintain appropriate due diligence of all purchases made by Region 4 ESC and any entity that utilizes this Contract. Region 4 ESC reserves the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an audit of Contractor's pricing in relation to this Contract at Contractor's sole cost and expense. Region 4 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.

19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

20) New Products/Services. New products and/or services that meet the scope of work may be added to the Contract. Pricing shall be equivalent to the percentage discount for other products. Contractor may replace or add product lines if the line is replacing or supplementing products, is equal or superior to the original products, is discounted similarly or greater than the original discount, and if the products meet the requirements of the Contract. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.

21) Options. Optional equipment for products under Contract may be added to the Contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

22) Warranty Conditions. All supplies, equipment and services shall include manufacturer's minimum standard warranty, Contractor's standard warranty for the product or services, and any additional warranty offered by the authorized dealer or distributor, unless otherwise agreed to in writing.

23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.

24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

27) Smoking. Persons working under the Contract shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

28) Stored materials. Upon prior written agreement between the Contractor and Region 4 ESC, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Region 4 ESC prior to payment. Subject to prior written agreement between the authorized dealer or distributor and Reion 4 ESC, such materials must be stored and protected in a secure location and be insured for their full value by the authorized distributors or dealers against loss and damage. Authorized distributors or dealers agrees to provide proof of coverage and additionally insured upon request. Additionally, if stored offsite, the materials must also be clearly identified as property of Region 4 ESC and be separated from other materials. Region 4 ESC must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Region 4 ESC, it shall be the authorized distributors or dealers responsibility to protect all materials and equipment. Authorized distributors or dealers warrants and guarantees that title for all work, materials and equipment shall pass to Region 4 ESC upon final acceptance.

29) Funding Out Clause. A Contract for the acquisition, including lease, of real or personal property is a commitment of Region 4 ESC's current revenue only. Region 4 ESC retains the right to terminate the Contract at the expiration of each budget period during the term of the Contract and is conditioned on a best effort attempt by Region 4 ESC to obtain appropriate funds for payment of the contract.

30) (a) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against third-party claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas. Parties agree to waive the right to a Jury trial. For greater clarity, the indemnity provided in the section shall only apply to Region 4 ESC and not extend to any Public Agencies.

(b) Indemnity Against Infringement. Contractor agrees to defend Region 4 ESC against or settle any demands, claims and suits brought against Region 4 ESC by an independent third party alleging that a Contractor's software, hardware or services sold under this Contract and used in accordance with the applicable product terms and the accompanying documentation infringes or misappropriates intellectual property rights of such third party (each a "Claim"), and Contractor agrees to indemnify and hold Region ESC 4 harmless from any damages, fees and costs finally awarded against Region ESC 4, or the amounts payable by Region ESC 4 under a settlement approved by Contractor in writing, as a result of such Claim and to the extent caused by Contractor, provided that Region ESC 4 promptly gives Contractor a written notice of such Claim, gives Contractor sole control of the defense or settlement of the Claim and provides Contractor with all reasonable assistance at Contractor's expense. Contractor shall obtain Region ESC 4's prior written approval of any settlement under which Region ESC 4 would be required to pay any fees or to admit to any wrongdoing or liability. Regardless of the above, upon becoming aware of a Claim, Contractor may, at its own expense and option, either: (i) procure the right for Region ESC 4 to continue to use the allegedly infringing item as permitted under the Agreement or the Product Terms, (ii) modify the item to make it non-infringing without substantially compromising its principal functions, (iii) replace it with a non-infringing functional equivalent, in which case Region ESC 4 and the users shall promptly stop using the allegedly infringing item immediately, or (iv) terminate the Contract and any applicable agreement and/or the product terms upon written notice to Region ESC 4.

31) Marketing. Contractor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this Contract by Contractor must have prior approval from Region 4 ESC.

32) Certificates of Insurance. Subject to request by Region 4 ESC, certificates of insurance shall be delivered to the Region 4 ESC prior to commencement of work. The Contractor shall require all subcontractors performing any work to maintain coverage as specified.

33) Legal Obligations. It is Contractor's responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services and shall comply with all laws while fulfilling the Contract. Applicable laws and regulation must be followed even if not specifically identified herein.

34) Exclusion of Certain Damages. In no event shall Contractor be liable to Region ESC 4 or Public Agencies purchasing under the Contract, under any theory of contract, tort, strict liability or other legal or equitable theory, for any indirect, consequential, incidental, or punitive damages of any kind, even if Contractor has been advised of the possibility thereof. In no event shall Contractor be liable to Region ESC 4 for any lost profits, lost business revenue, lost goodwill, business interruption, other economic loss, or any loss of recorded data, even if Contractor has been advised of the possibility thereof.

35) (a) Contractor Property. We are and remain the owner of all rights (including intellectual property rights), title, and interest in and to all "Contractor Property", which is comprised of (i) our Confidential Information, (ii) any intellectual property that was created by or licensed to us prior to or independently from our provision of Services, including without limitation all Cloud Services, Supplied Software, our trademarks, and product or service documentation (referred to as "Contractor Preexisting IP"); (iii) New IP (as defined below), (iv) Supplied Hardware, and (v) Performance Data.

(b) No Sale of Intellectual Property. Any use of terms such as “Sale”, “Sell”, “Sold”, “Purchase” etc. and other similar words designate any sale by Contractor to Region ESC 4, under the relevant Ordering Document, of (i) a Contractor Hardware or a Third-Party Hardware, (ii) a license to a Contractor software or a Third-Party Software, (iii) a subscription to a subscription-based product or service, or (iv) a Professional Service.

(c) No Property Modifications. Region ESC 4shall not (and shall not encourage, assist or permit any other person to) translate, deconstruct, disassemble, decompile, reverse engineer or otherwise extract any proprietary code or other underlying or proprietary technologies, or otherwise modify any Deliverable or any other Contractor material or subject matter, or any part of them, or produce any derivative works of any of them or any part of them, except to the extent first agreed to in writing by Contractor or to the strictest extent expressly permitted in the applicable Product Terms or by the applicable law. The above does not, however, prohibit the configuration or use of standard features and options of the Deliverables as made available by Contractor, in accordance with the relevant Documentation.

(d) No Other Rights. Except for the limited licenses granted to Region ESC 4under the Ordering Document and to Customers or their Users under the Product Terms, nothing contained in the Agreement shall be understood to transfer to Region ESC 4, a Customer, or any other party any rights, title, or interest in and to any Contractor intellectual Contractor, all of which are fully retained by Contractor.

OFFER AND CONTRACT SIGNATURE FORM

The undersigned hereby offers and, if awarded, agrees to furnish goods and/or services in strict compliance with the terms, specifications and conditions at the prices proposed within response unless noted in writing.

Company Name Genetec, Inc.

Address 2280, Alfred-Nobel Blvd.

Requested Attachments

Products and Pricing

OMNIA PARTNERS PRICE LIST_BID NO. 25-02.xlsx

Each offeror awarded an item under this solicitation may offer their complete product and service offering/a balance of line. Describe the full line of products and services offered by supplier.

Value Added Services

Value Add Services.pdf

Provide any additional information related to products and services the Offeror proposes to enhance and add value to the Contract. For example, a proposal for furniture may include additional value-added selections such as installation, white glove delivery options, setup/cleaning, classroom design/layout, special orders, etc. (OPTIONAL)

Offer and Contract Signature Form

Appendix A.1 - Offer and Contract Signature Form_RT.pdf

Please complete the Offer and Contract Signature Form, located on the Attachments tab, and upload the completed document here.

Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy

Acknowledgment and Acceptance Form (1).pdf

Please complete the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy, located on the Attachments tab, and upload the completed document here.

Antitrust Certification Statements

Antitrust Certification Statements_RT.pdf

Please complete the Antitrust Certification Statements, located on the Attachments tab, and upload the completed document here.

Disclosure of Interested Parties form or Evidence of Exemption

Form 1295 Certificate 101289233 (1).pdf

If you are required under statute to submit a Disclosure of Interested Parties form (1295 form), you must do so here. Section 6 must be completed in its entirety. Alternatively, if you are exempt under the statute, you must provide documentation affirming your exemption. (REQUIRED, see Attribute titled "DISCLOSURE OF INTERESTED PARTIES")

Additional Agreements Offeror will require Participating Agencies to sign.

No response

Upload any additional agreements offeror will require Participating Agencies here.

Texas Government Code 2270 Verification Form

Appendix C.4 - Texas Government Code 2270 Verification Form_RT.docx

Please complete the Texas Government Code 2270 Verification Form, located on the Attachments tab, and upload the completed document here.

Diversity, HUB Certifications

No response

If your firm holds a certification from certifying agencies related to M/WBE, DBE, HUB, or other diverse business designations, you may upload the certificate here. (OPTIONAL)

Conflict of Interest Questionnaire

No response

If a conflict exists that requires the submission of a Conflict of Interest Questionnaire (CIQ), complete and upload the document here. (REQUIRED ONLY IF A CONFLICT EXISTS, see Attribute titled "CONFLICT OF INTEREST QUESTIONNAIRE" for additional information.)

W-9 Upload

W-8BEN-E Genetec Inc January 2024.pdf

Interested offerors must upload an updated Form W-9 prior to submitting a proposal.

OMNIA Partners - Exhibit F Federal Funds Certifications

25-02 OMNIA Partners - Exhibit F Federal Funds Certifications_11.20.204.docx

Please complete the OMNIA Partners - Exhibit F Federal Funds Certifications, located on the Attachments tab, and upload the completed documents here.

OMNIA Partners - Exhibit G New Jersey Business Compliance

25-02 OMNIA Partners - Exhibit G New Jersey Business Compliance_11.20.24.docx

Please complete the OMNIA Partners - Exhibit G New Jersey Business Compliance forms, located on the Attachments tab, and upload the completed documents here.

TERMS & CONDITIONS ACCEPTANCE FORM

1-2024.11.20 Appendix B - Terms & Conditions Acceptance Form.docx

Please complete the Terms & Conditions Acceptance Form, located on the Attachments tab, and upload the completed document here.

Customized Core List by Agency

Sample Core List for Participating Public Agencies.docx

Provide asample of what a Core List may look like for Participating Public Agencies.

OMNIA Partners Appendix D, Exhibit A Response

25-02 OMNIA Partners - Exhibit A Response for National Cooperative Contract_11.20.24 copy.docx

Include a detailed response to Appendix D, Exhibit A, OMNIA Partners Response for National Cooperative Contract. Responses should highlight experience, demonstrate a strong national presence, describe how Offeror will educate its national sales force about the Contract, describe how products and services will be distributed nationwide, include a plan for marketing the products and services nationwide, and describe how volume will be tracked and reported to OMNIA Partners.

Are the units/equipment vandal resistant at or above IK08?

Not applicable to Genetec solutions.docx

Bid Attributes

1 CONTRACT DURATION

The initial term of the Contract is for a period of three (3) years unless terminated, canceled, or extended as otherwise provided herein. Region 4 ESC shall have the right in its sole discretion to renew the Contract for additional terms up to two (2) years after the end of the initial term or for a lesser period of time as determined by Region 4 ESC by providing written notice to the Contractor of Region 4 ESC's intent to renew thirty (30) days prior to the expiration of the original term. Contractor acknowledges and understands Region 4 ESC is under no obligation whatsoever to extend the term of this Contract. In the event the proposal term, including renewals, ends before another proposal is executed, proposal prices and discounts may be extended on a month-to-month basis by mutual consent. Extensions are limited to the lesser of: a) six (6) additional monthly terms, or b) the time which is required to complete a new solicitation for the goods and services provided for in this solicitation. Notwithstanding the foregoing paragraph, the term of the Contract, including any extension of the original term, shall be further extended until the expiration of any Purchase Order issued within the Contract term for a period of up to one year beyond the Contract term.

☑ I certify compliance with this attribute.

2 NAME OF INDIVIDUAL COMPLETING THIS PROPOSAL

Jeanne Smith

3 HOW MANY YEARS HAS YOUR BUSINESS OPERATED UNDER ITS PRESENT NAME

27

4 WHAT IS YOUR CURRENT NUMBER OF CUSTOMER ACCOUNTS?

42500

5 WHAT ARE YOUR BUSINESS HOURS?

8 A.M. - 5 P.M. ET

6 IS 30 DAYS AFTER RECEIPT OF INVOICE AN ACCEPTABLE PAYMENT SCHEDULE FOR YOUR BUSINESS?

If Yes, type "YES".

If No, describe your payment schedule in the field provided.

Yes

7 WHAT IS THE STANDARD LEAD TIME FOR RECEIPT OF PRODUCTS AFTER ORDER IS RECIEVED (ARO), IN DAYS?

Provide your answer in number of DAYS after receipt of order (ARO).

Software: If a customer orders only software, the Fulfillment team sends it out immediately upon automated order confirmation (0 days). Hardware: Lead times depend on the type of hardware ordered and whether or not the hardware ordered is a stock item. Stock items usually ship within 1-2 days. If stock items need to be reworked to provide the finished goods an end user is seeking, it may take from 2-5 days before the items are shipped. Stock items will almost always ship from DC-US, which is our biggest warehouse globally. Non-stock items are subject to various lead times, from a few days to a few months. A list of part numbers and quantities ordered is required to provide an accurate lead time for non-stock items. In most cases, hardware is shipped directly from the reseller to the customer, so the lead times will vary based on customer location and whether there is an agreement with the customer to expedite the order. The latter results in higher freight costs.

8 ACCOUNT MANAGER NAME

Please indicate the name of the account manager we should speak to with concerns about the products and/or services in this proposal.

Jeanne Smith

9 ACCOUNT MANAGER EMAIL

jsmith@genetec.com

10 ACCOUNT MANAGER PHONE

(214) 789-2217

11 PAYMENT REMITTANCE ADDRESS

Maximum 1000 characters allowed

12 PAYMENT REMITTANCE PHONE

13 CONTRACT/PURCHASE ORDER/QUOTE EMAIL

Vendors may choose to have purchase orders emailed to them in PDF format in lieu of having them faxed or mailed. To elect this option, please offer the preferred email address in the accompanying field. This email address will apply to any purchases from your company, so the use of a generic email address is suggested, such as bids@companyname.com or purchaseorders@businessname.com.

No response

14 CONTRACT/PURCHASE ORDER/QUOTE FAX NUMBER, IF APPLICABLE

If applicable, please provide a fax number to send orders and quote requests.

15 REQUIRED REFERENCE QUOTE OR CONTRACT NUMBER, IF APPLICABLE

Enter your quote or contract number and/or any other information our staff would need provide on the face of purchase orders in order to receive discount percentages and contract pricing.

Maximum 1000 characters allowed

16 COMPANY WEBSITE ADDRESS, IF APPLICABLE

www.genetec.com

17 HOW WERE YOU NOTIFIED OF THIS BID OPPORTUNITY?

In order to verify the efficiency of communication tools used to notify vendors of bidding opportunities, we ask that you provide us with the manner in which you received notification of this request for bid/proposal.

We were not notified of the opportunity by OMNIA Partners. We had spoken to a number of people at OMNIA Partners about our interest in pursuing a contract providing security solutions whenever one became available, and we were monitoring the OMNIA Partners website to stay abreast of possible opportunities. We identified this solicitation as a match for our business the week it was released and registered to respond to it.

18 REFERENCE 1

Please provide the reference of a school and/or business who have utilized the same equipment/products within the last two years. Include Company/Government name, address, contact name, and contact phone number.

[redacted]

19 **REFERENCE 1 EMAIL**

[redacted]

20 **REFERENCE 2**

Please provide the reference of a school and/or business who have utilized the same equipment/products within the last two years. Include Company/Government name, address, contact name, and contact phone number.

[redacted]

21 **REFERENCE 2 EMAIL**

[redacted]

22 **REFERENCE 3**

Please provide the reference of a school and/or business who have utilized the same equipment/products within the last two years. Include Company/Government name, address, contact name, and contact phone number.

[redacted]

23 **REFERENCE 3 EMAIL**

[redacted]

24 **THE U.S. STATE YOUR PRINCIPAL PLACE OF BUSINESS IS LOCATED.**

[redacted]

25 **RECIPROCITY**

For Businesses not located in Texas: Does your state of residence or incorporation require out-of-state bidders to underbid vendors residing in your state by a prescribed amount or percentage to receive a comparable contract? If Yes, please input that percentage; If No, please leave the adjacent field blank.

No response

26 **PARTIAL AWARD ACCEPTANCE**

REGION 4 ESC retains the right to award this contract in such a manner that it receives the best overall value for the goods and/or services requested in this request for proposal or bid, which may include awarding to multiple vendors.

☑ I understand.

27 **PURCHASE ORDER POLICY**

REGION 4 ESC purchases tangible goods and services through the use of approved Purchase Orders. Vendors are highly discouraged from sending products, and/or performing services without prior receipt of an approved District Purchase Order. While campuses and departments may call for quotes and information, please be advised the District is not obligated to pay for any services and/or products ordered via telephone or email in without the presence of a properly executed Purchase Order.

☑ I understand.

28 **ADDENDA NOTIFICATIONS**

Any addenda to this proposal will be issued electronically through this system. It is vendor's responsibility to review addenda upon e-mailed notice and retract/amend their submission as deemed necessary. REGION 4 ESC may choose to mark a proposal received prior to the issuance of an addendum as non-responsive should REGION 4 ESC, in its sole determination, finds the addendum to be of such material change that it warrants such determination. If such proposal is found non-responsive, REGION 4 ESC will not consider the proposal for evaluation or further consideration.

☑ I understand.

29 **Provide equipment manufacturer, equipment types and discounts off published list price.**

[redacted]

30 **Define any freight charges.**

Resellers will ship to OMNIA Partners members unless a drop ship from Genetec is requested. If the end user requires a drop ship, freight charges will depend on the agreement we have with the customer, and sometimes the items we ship. Some items have shipping included and some don't. If shipping is not included and we take care of the transportation of the goods, we will charge the expense back to the customer on their invoice as a separate line item. Shipping charges will be passed to the customer regardless of whether shipping occurs in the 48 contiguous United States, the District of Columbia, Alaska, Hawaii, or the US Territories. No special freight, shipping, or delivery terms or programs are available to customers outside the contiguous United States. Any expedited, urgent, or overnight shipping will incur an extra fee.

31 **Describe how Offeror responds to emergency orders.**

Genetec teams up with a global network of sales partners who deploy and support our entire portfolio and can handle rush orders as required. We also provide worldwide support through our Genetec Technical Assistance Portal (GTAP) where support cases can be opened 24/7, 365 days a year. For rush orders, customers may contact sales@genetec.com or customerservice@genetec.com with URGENT in the subject line and we will address the customer's request. Customers can call either 514-332-4000 or 866-684-8006 and select Option 3. For software-only purchases, customers will get their license within a minute of submitting their order. Orders for other than software that require expedited, urgent, or overnight shipping will incur an extra fee.

32 **What is Offeror's average Fill Rate?**

The average fill rate for the Customer Services Department is 12.6 hours.

33 **What is Offeror's average on time delivery rate? Describe Offeror’s history of meeting the shipping and delivery timelines.**

For software and in-stock hardware, our on-time delivery rate is 100%. We do not have metrics for out-of-stock or customized hardware solutions. Our data do show that deliveries that miss stated deadlines are, at most, 1–2 days delayed. Genetec has consistently met delivery deadlines throughout its 27-year history. During the COVID-19 pandemic, like many others in our industry, Genetec sometimes struggled to fill some orders due to the supply-chain crisis. To address extended supplier outages, we found and used alternate delivery channels. To keep customers informed, the Genetec Fulfillment Management team provides tracking information within 24 hours of shipping goods.

34 **Describe Offeror's return and restocking policy.**

Return and restocking: All Genetec products serviced by Genetec for repair and replacement are warranted against defects in workmanship and materials for a period of 90 days or the remainder of the original warranty, whichever is longer. Genetec Customer Service provides customers with a Return Merchandise Authorization (RMA) form. The customer receives the form by email within 24 hours of notifying Genetec Technical Support. This RMA provides all information needed to return the merchandise. If covered by advanced replacement services, Genetec sends the replacement hardware as soon as the RMA is created. For hardware not covered by advanced replacement, the time frame to send a replacement unit will depend on the availability of the unit and the location of the client. The customer is responsible for all shipping charges involved in sending the product to Genetec or the applicable vendor. Genetec covers the cost of shipping the replacement product to the customer.

35 **Describe Offeror's ability to meet service and warranty needs.**

Genetec warrants that its software products perform in all material respects in accordance with the accompanying user manual, & that the media on which the software product resides will be free from defects in materials and workmanship under normal use. Software defects are covered through service releases and cumulative updates, which are available for 1 year from the date of the software purchase. Genetec warrants all hardware it manufactures to be free from defects (materials and assembly) if used in the manner intended, and provides technical assistance related to such defects. Hardware warranties also cover any Genetec software natively installed on its products, except for appliances running any Genetec software products, for which the software warranty supersedes the hardware warranty for software-related issues. Trained, Authorized Resellers are responsible for handling all customer support requests in the first instance; however, Genetec Support Analysts will engage as needed.

36 **Describe Offeror's customer service/problem resolution process. Include hours of operation, number of services, etc.**

Technical support is available via web site, phone, and chat. Support cases can be opened through the Genetec Technical Assistance Portal 24/7/365. Outside business hours, support is available through the Genetec Technical Assistance Center Crisis Response Center for critical situations, cloud outages, or cybersecurity incidents. Genetec Advantage™ provides live phone support 24/7, including software upgrades and system monitoring. Support via live chat is available Monday to Friday, 8 a.m.–8 p.m. ET. For Genetec hardware repairs or replacements, customers can request a Return Merchandise Authorization form via any of our support channels to send back the unit. The customer receives the form by email within 24 hours of notifying Genetec Technical Support. Replacement hardware is sent as soon as the RMA is created if the hardware is covered by advanced support. The customer is responsible for shipping the unit in for repair; Genetec is responsible for return shipping to customer.

37 **Describe Offeror's invoicing process. Include payment terms and acceptable methods of payments. Offerors shall describe any associated fees pertaining to credit cards/p-cards.**

If awarded a contract in response to this RFP, customers will make payments directly to the Genetec-approved reseller with whom the order was placed. Resellers may differ in payment terms and acceptable methods of payment, as well as fees pertaining to credit cards/p-cards. Genetec payment terms are net 30 days from the date of the invoice. Late fees may be charged on all amounts not paid when due at the rate of 1.5% per month or the highest rate permitted by law, whichever is lower.

38 **Describe Offeror's contract implementation/customer transition plan.**

Genetec understands that effective communication to our sales team regarding the awarded OMNIA Partners contract is crucial to our success as an OMNIA Partners contract holder. Our SLED Contracts Team will take the lead on introducing the OMNIA Master Agreement to Genetec Sales Account Executives responsible for sales to the SLED market. This team will also introduce the Agreement to Channel Account Executives responsible for recruiting and supporting resellers who serve this market. Upon contract award, our SLED Contracts Team will use the following methods to introduce the OMNIA Partners contract to our company, Channel Partners, and end-user customers: Microsoft Teams calls; training webinars; training materials; ongoing contract use monitoring; and ongoing contract promotion. We will continue outreach to customers to educate them on the value proposition of this contract throughout the contract award term.

39	**Describe the financial condition of Offeror.**

[redacted]

40	**Provide a website link in order to review website ease of use, availability, and capabilities related to ordering, returns and reporting. Describe the website's capabilities and functionality.**

Since Genetec uses a channel model for sales, we do not have, nor do we intend to implement, an ordering website for the OMNIA Partners contract. What we do provide is our website (www.genetec.com) that SLED customers can use to find detailed information on our products and services and to access technical support. Genetec's website serves as a hub for exploring our unified security solutions, featuring resources on our offerings in video surveillance, access control, ALPR, cloud solutions, etc. Users can find detailed product insights, case studies, support options, access to the portal to quote the products, trainings, and a learning center for skill building. The site also provides an extensive knowledge base. If awarded, we will set up a dedicated OMNIA Partners contract web page within our website that will provide information on how to use our OMNIA Partners contract and help customers connect with qualified and capable authorized resellers who serve their geographic market.

41	**Describe the Offeror's safety record.**

Genetec has an Occupational Health and Safety (OHS) policy that outlines the safety roles and responsibilities of management and employees. This policy is required reading for all employees upon acceptance of employment and is reviewed and updated as needed – annually, at a minimum. Genetec also has a minimum number of first responders in the workplace (between 2 and 10 in each building in the Canadian HQ location), to give immediate first-aid and/or perform CPR in case of emergencies. The names, contact information, and locations of all first responders are provided on our employee website for quick access. The Genetec OHS Committee and Human Resources Department maintain records of all incidents. In the last 3 years, we had one workplace accident per year in the USA and Canada combined as the vast majority of our workers work in an office environment.

42	**Provide a brief history of the Offeror, including year it was established and corporate office location.**

Genetec, Inc., is a privately held company founded in 1997. Genetec global headquarters are in Montreal, Canada, where we serve our customers through a network of over 2,200 certified channel partners and consultants in over 159 countries. Genetec pioneered the first-ever IP video management software and has led the development of unified IP security solutions ever since. We continue to build and expand our solution platform to support our customers' security and operations needs within diverse market segments and complex network environments. Based on an open architecture, and built with cybersecurity at the core, Genetec solutions can be implemented on-premises, in the cloud, or in hybrid deployments. The company's flagship products, Genetec Security Center and Genetec Security Center SaaS, unify core physical security functions, such as access control, video surveillance, automatic license plate recognition (ALPR), weapons & intrusion detection, communications, and analytics.

43	**Describe Offeror's reputation in the marketplace.**

[redacted]

44 Describe Offeror's reputation of products and services in the marketplace.

Genetec, Inc., is the world leader in open-platform unified IP software solutions for the Physical Security and Public Safety industry. Genetec ranks No.1 in the global VMS market, maintaining its top market position in the Americas for the twelfth consecutive year, and increasing its market share in Asia Pacific, according to the 2024 market report published by Omdia. Genetec credits its continued market leadership to the development of innovative and flexible cloud solutions, and the strength of our unified security platform, Security Center. Genetec remains ranked 2nd globally in access control system (ACS) solutions and maintained the #2 spot in the Americas, according to Omdia. Genetec maintains an aggressive rhythm of product introductions and development. Over 30% of Genetec employees are engaged in research and development, and, as such, help maintain our schedule of major releases of our products.

45 Describe if distributors/dealers/resellers/subsidiaries/partners ("affiliates") will be used to fulfill the contract. Submit a list of those affiliates authorized to sell under the proposed contract.

Where and how does Offeror propose to maintain an authorized affiliate list so it may be accessed by Participating Agencies? How often does the supplier propose to update the affiliate list? Confirm the Offeror reviews the financial health, debarment status and overall general capacity of authorized affiliates. Offerors who us authorized affiliates are responsible for ensuring authorized affiliates are performing in accordance with the contract.

Genetec serves our customers through a network of over 2,200 certified Channel Partners and Consultants in over 159 countries. We rely on our network of Channel Partners — resellers of Genetec solutions — to provide local installation and support for Genetec software, the IT infrastructure surrounding our software, and the various security devices linked to our systems, as well. Channel Partners act as our force multipliers in the marketplace, expanding our commercial reach. Their knowledge, expertise, advocacy, and loyalty enable us to deliver innovative solutions to customers worldwide. Genetec has hand-picked the following resellers from our Channel Partner Program to participate as our resellers on this contract after award: • Acom • CDW • CompuNet • Convergint • Cornerstone Detention Products • EyeP • IK Systems • Johnson Controls (JCI) • Minutemen • Moss • NextGen • NextGen Security • People Drive • Preferred Technologies, Inc. (out of Texas) • Prime Communications • RL Controls • Skyline Technology • SW24 Upon award, our list of Channel Partners, with contact and company information, will be finalized and provided to OMNIA Partners and will be posted on Genetec's OMNIA Partners microsite that will be established on Genetec's public-facing contracts website. The addition of resellers to this list may be made quarterly, upon request of OMNIA Partners, Genetec Sales leadership, Genetec Account Executives and the Channel Partners they work with across their regions, and any end users to whom we market this contract. Removal of resellers from the list may be made at any time, at OMNIA Partners or Genetec Sales leadership's request. Resellers who apply to the Genetec Channel Partner Program (CPP) are vetted prior to approval, including the company's financial health, debarment status, and the capacity to provide the sales and services Genetec customers in their area will require. All Channel Partners must be trained and certified in each Genetec product/solution they sell. Genetec provides this required training to approved partners. Our Channel Partner Program offers the industry's only advanced, by-invitation-only software development kit (SDK) certification that shows our resellers how to maximize our portfolio's capabilities and respond to the specific requirements of individual customers. We communicate continually with our partners via the Genetec Partner Portal. With product news, CPP newsletters, webinars, and sales tools, partners have access to the most up-to-date information in real-time. This can help resellers address the needs of any customer strategy. Every reseller will go through training on the contract and sign an addendum to their Channel Partner Agreement, with flow-downs from our OMNIA Partners contract to ensure they agree to perform in accordance with all contract clauses. Genetec verifies that our suppliers are meeting contractual terms and conditions through audits, QBRs, and quarterly meetings. In addition, to ensure Channel Partners' training remains up to date, Genetec reviews and updates Channel Partner accreditations annually.

46 Describe the experience and qualifications of key employees.

Jeanne Smith, Genetec's Contracts Manager, has nearly three decades of experience working on all sides of bids and contracts, including acting as Sr. Contracts Manager for Panasonic Connect (formerly Panasonic North America), JVC Kenwood, and EF Johnson, all technology companies that support public safety efforts. Genetec's National Director of Public Sector Sales, Rick Taylor, joined Genetec in April 2013, as a Regional Sales Manager and then Regional Sales Director for the Central U.S. before moving into his current position in November 2020. Rick is responsible for leading his team in developing strategic plans to increase sales within the public sector. Prior to his start at Genetec, Rick gained nearly a decade of experience in the security field, including positions as District Manager at both UTC Fire & Security and GE, and as Vice President at Esscoe for the company's Security Practice.

47 **Describe Offeror's experience working with the government sector.**

Many Federal and State Government agencies are protecting facilities, automating operations, and securing sensitive data using Genetec's Security Center platform. Genetec has been selected by these agencies and DoD customers for a variety of reasons, including scalability, management, and resiliency aspects, along with a commitment to meeting the evolving Information Assurance (IA) and Cybersecurity needs of both Federal and State Governments (FISMA, NIST RMF). Our Omnicast IP CCTV product has received the US Department of Homeland Security Safety Act Certification and has been designated as a qualified anti-terrorism technology. It also has UL 2900-2-3 Level 3 cybersecurity certification. Our Access Control product line, Synergis, has received GSA FIPS 201.2 (FICAM) approval. Our portfolio offers unification to facilitate centralization of operation, consolidation of data/insights to drive efficiency, and built-in mechanisms to protect records and meet government privacy requirements.

48 **Describe past litigation, bankruptcy, reorganization, state investigations of entity or current officers and directors.**

Genetec is not involved in any litigation concerning bankruptcy, reorganization, or state investigations of the company or its officers/directors. Genetec is not involved in any outstanding litigation that, individually or in the aggregate, would have a material adverse effect on our business, our operations, our financial performance, or our ability to perform our obligations in connection with this proposal.

49 **Provide Offeror's expertise in working with public sector and understanding of the unique technical regulatory requirements.**

Genetec has helped law enforcement customers protect the public during important events and at important community landmarks, and has worked with local, national, and international officials to secure cities and organizations. Public sector agencies need data and technology to provide enhanced situational awareness through timely, correlated information. This information requires protection. Genetec Security Center offers the KiwiVision Privacy Protector module, to automatically blur and mask video surveillance footage and anonymize people, adhering to privacy regulations. Genetec also offers guides to public sector organizations on how to reduce cyber vulnerabilities of physical security systems that often are overlooked. Genetec managed services holds and operates ISO 27001 and 27017 certified ISMS and have been audited in accordance with AICPA SOC2 type II. Also, Genetec Cloud services hold a CSA Star Level 1 certification. The offerings undergo annual penetration testing.

50 **Indicate if Offeror is licensed to do business in all 50 states.**

☑ Yes

☐ No

51 **Value Add - Provide any additional information related to products and services Offeror proposes to enhance and add value to the Contract.**

Genetec has a large portfolio of expert services available to support our customers during their entire project lifecycle. Genetec Professional Services include deployment project management, field engineers, solutions architects, dedicated client care engineers, technical account managers, and staging and testing services – all with an expertise specific to the Genetec product portfolio and its environment. A dedicated project manager is the customer's single point of contact during deployment of the Genetec system. The project manager conducts a risk assessment to identify potential risk factors and mitigate their impact on the project deployment. They work with local Channel Partners to provide a detailed project plan, ensuring a consistent deployment of the Genetec solution between the various client sites. The project manager also maintains all project documentation and provides regular status updates to the project stakeholders, while creating a tailored project plan to ensure the successful execution of your project. The project management team is complimented by the field engineering team, responsible for providing on-site and remote services including system deployments, system assessments, upgrade planning, and migrations. Genetec field engineering services can be used to either assist the local Channel Partner in the onsite deployment of the Genetec solution as needed, or to conduct a system audit following deployment by a certified Channel Partner to share accountability and validate the system configuration and the adherence to cybersecurity best practices. This ensures the system will operate at peak performance levels. A Genetec solution architect understands today's security challenges and helps ensure each system is built on the technology necessary to meet those challenges by leveraging technical guidance from different enterprise architecture standpoints. The solution architecture team provides technical consulting to new and existing customers to properly understand their business challenges and make use of the appropriate Genetec solutions to address customer needs and business objectives prior to solution delivery, while ensuring all components of the system work in the customer's IT environment. This guarantees the proper integration of Genetec solutions within the production environment, as well as the optimization of each system's performance. Genetec Advantage is a comprehensive software maintenance package that progressively grows the value of the customer's security investment by including software upgrades, premium support, and system monitoring. Genetec Advantage provides top-of-the-line support to ensure that customer systems operate at peak efficiency throughout their lifetime. This offering provides access to all software releases, access to advanced troubleshooting methods (including remote sessions and analyzing system logs), and responsive service levels, ensuring fast prioritized response times and our collaborative support model. Software upgrades include: • The latest evolutions in security systems technology that can enable new use cases, provide new insights, and decrease operational costs. • Usability improvements that improve efficiency in configuring and using the software. • Performance improvements so customers get the most out of hardware investments. • New third-party integrations to increase the security ecosystem. With premium support, customers can provide their system integrators an edge with live assistance from Genetec Technical Support. This includes: • Phone and chat support from 8 a.m. - 8 p.m., Monday - Friday. • Prioritized support for faster response times. • In-depth troubleshooting from our advanced product experts. • Multiple support languages. • Immediate access to available hotfixes. The System Availability Monitor also provides remote system monitoring with real-time statistics on system uptime, mean-time-to-recovery, and downtime.

52 **Include a per diem rate.**

N/A

53 **For Non-Normal Working Hours, indicate if there is a minimum charge of hours and what the number of hours is.**

Genetec products are sold through certified system integrators (also called resellers or Channel Partners); the minimum charge of hours may vary by the Channel Partner an OMNIA Partners Participating Agency selects. However, Genetec provides technical support through multiple channels, including worldwide support to customers through our Genetec Technical Assistance Portal (GTAP), where support cases can be opened 24/7, year-round. Customers who purchase Genetec Advantage receive additional coverage of Genetec software products (e.g., Security Center, Genetec Mobile, Omnicast, Synergis, Sipelia, and Genetec Patroller). Genetec Advantage provides unrestricted access to technical support, all software releases, and several other services to maintain system performance proactively and improve adoption of the system. This includes "live support" by phone. In addition, US customers may chat live with certified professionals Monday to Friday, 8:00 a.m. to 8:00 p.m. Eastern Time.

54 **Is pricing available for all products and services?**

Yes

55 **Describe any shipping charges (where applicable).**

Each reseller applies shipping charges depending on the location of and speed of delivery requested by the OMNIA Partners member. Contract resellers will ship to OMNIA Partners unless a drop ship from Genetec is requested. Shipping charges will be passed to the customer regardless of customer location. Any expedited, urgent, or overnight shipping will incur an extra fee.

56 **Provide pricing for warranties on all products and services.**

Warranties are included with the purchase of our software and hardware. The software warranty covers all packaged software products developed and licensed by Genetec, covering defects through service releases and cumulative updates. Genetec warrants the hardware it manufactures to be free from defects in materials and assembly during normal use and service, and provides technical assistance related to these defects. After the 1-year standard warranty period, support will be available only via the Genetec Technical Assistance Portal (GTAP), which will reply in 2 business days & make best efforts to resolve issues reported. Any software fixes will be available in Cumulative Update releases via the download page on the GTAP. Software and Service Releases will be available for purchase only. Extended warranties are available across categories, for single and multi-year periods, at varying price points. On this contract, all extended warranties will be offered at a 10-percent discount.

57 **Describe any return or restocking fees.**

Restocking fees are 20 percent for AutoVu™products. For Streamvault™ and Synergis™ products, restocking fees will be evaluated on a case-by-case basis and will be communicated to the customer. For Streamvault products, the minimum restocking fee will be 20% of the value of the returned unit, plus return freight.

58 **Describe any additional discounts or rebates available. Additional discounts or rebates may be offered for large quantity orders, single ship to location, growth, annual spend, guaranteed quantity, etc.**

Additional discounts can be negotiated with individual resellers on a per-customer, per-order basis. Project scope, order volume, and the addition of services may affect reseller discount pricing.

59 **Describe how customers verify they are receiving Contract pricing.**

Genetec will post an up-to-date price list on the OMNIA Partners Contract page it will host on its public-facing website.

60 **Propose the frequency of updates to the Offeror's pricing structure. Describe any proposed indices to guide price adjustments. If offering a catalog contract with discounts by category, while changes in individual pricing may change, the category**

discounts should not change over the term of the Contract.

At a minimum, Genetec updates its MSRP list twice a year - January and July. Prices are adjusted according to rising/falling costs in supply chain and manufacture. Whether prices rise or fall on individual items, the category discounts will not change over the term of the contract.

61 **Describe how future product introductions will be priced and align with Contract pricing proposed.**

[redacted]

62 **Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement.**

Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a list of diversity alliances and a copy of their certifications.

The Genetec Code of Business Conduct states we are non-discriminatory. “The diversity of Genetec employees is a tremendous asset and we are passionately committed to providing equal opportunity in all aspects of employment. Employment decisions are based on merit, qualifications, and abilities, and Genetec does not discriminate in employment opportunities or practices on the bases of race, religion, gender, sexual orientation, national origin, age, disability, or any other characteristic protected by law, and will not tolerate any such discrimination.” Genetec seeks like-minded companies as Channel Partners. We are firmly committed to diversity internally and externally, and within the security industry in general. Our vibrant internal cultural model is based on leadership by example, rather than on enforcement & metrics. Diversity in hiring is very important to Genetec. Our executive team has over 40% diverse representation and this only increases throughout the rest of the company.

63 **Minority Women Business Enterprise Certification**

If yes, list certifying agency.

No

64 **Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE) Certification**

If yes, list certifying agency.

No

65 **Historically Underutilized Business (HUB) Certification**

If yes, list certifying agency.

No

66 **Historically Underutilized Business Zone Enterprise (HUBZone) Certification**

If yes, list certifying agency.

No

67 **Other recognized diversity certificate holder**

If yes, list certifying agency

No

68 **Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners.**

Include a list of current cooperative contracts (regional and national) Offeror holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

Genetec will promote the OMNIA Partners contract at every level of our ecosystem. This includes promotion at our annual Channel Partner and End User Conferences, both well-attended events, as well as at other Channel Partner and End User events throughout the year, and at the wide-ranging conferences we attend as presenters and exhibitors throughout the year. We will promote the contract on Genetec's public facing website, as well as on our Channel Partner Portal. We will announce the OMNIA Partners Contract award in an email marketing campaign targeting End Users, highlighting selected Channel Partners acting as Genetec resellers on the contract, Genetec product and service availability, and the value proposition offered by the contract. All of these avenues will promote awareness of the contract, the benefits it provides, and Genetec's products and services. Genetec will hold internal Public Sector Sales Team trainings to inform Genetec Account Executives of the contract and teach them how to promote the contract to Channel Partners and End Users. End Users are free to select whichever Channel Partners they prefer to work with; however, Genetec will provide support on marketing efforts executed by our Channel Partners added to this contract. While each reseller will operate its own marketing program, Genetec will assist them in their efforts by providing in-depth information on our products and will outline the value proposition of the contract. Currently, Genetec is on the PEPPM (Kern County, CA) Contract and two TIPS contracts (230105 Technology Solutions, Products, and Services and 230202 Security Systems, Products, and Services). If awarded, the OMNIA Partners Contract will be offered to all current and future Genetec customers as a favored purchasing venue.

69 **Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions.**

Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

☑ Yes

☐ No

70 **Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners.**

All sales materials are to use the OMNIA Partners logo. At a minimum, the Offeror's sales initiatives should communicate:

- Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
- Best government pricing
- No cost to participate
- Non-exclusive

☑ Yes

☐ No

71 **Confirm Offeror will train its national sales force on the Master Agreement. At a minimum, sales training should include:**

- Key features of Master Agreement
- Working knowledge of the solicitation process
- Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
- Knowledge of benefits of the use of cooperative contracts

☑ Yes

☐ No

72 **Provide the name, title, email and phone number for the person(s), who will be responsible for:**

- Executive Support
- Marketing
- Sales
- Sales Support
- Financial Reporting
- Accounts Payable
- Contracts

Executive Support: Rick Taylor, National Director of Public Sector Sales, rtaylor@genetec.com, (815) 530-9392; Marketing: Lora Wilson, Director, North America Marketing, lowilson@genetec.com, (978) 987-5052; Sales: Rick Taylor, National Director of Public Sector Sales, rtaylor@genetec.com, (815) 530-9392; Sales Support: Jeanne Smith, Program Manager, Grants and Contracts Office, jsmith@genetec.com, (214) 789-2217; Financial Reporting and Accounts Payable: Melanie Bialas, Senior Manager, Credit and Customer Service, mbialas@genetec.com, (514) 669-1041; Contracts: Jeanne Smith, Program Manager, Contracts and Grants Office, jsmith@genetec.com, (214) 789-2217

73 **Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.**

Genetec's Public Sector Salesforce is led by Rick Taylor, National Director of Public Sector Sales. Rick can be reached at rtaylor@genetec.com or (815) 530-9392. The Public Sector Sales Team is divided geographically. The West Region is under the leadership of West Region Director Scot Woodbury. His team of six Account Executives support the following States: Washington, Oregon, California, Idaho, Montana, Wyoming, Nevada, Utah, Colorado, Arizona, and New Mexico. The Central Region, comprised of North Dakota, South Dakota, Minnesota, Iowa, Nebraska, Kansas, Missouri, Wisconsin, Illinois, Indiana, Kentucky, Michigan, Ohio, Oklahoma, Arkansas, Texas, and Louisiana is supported by 10 Account Executives, who report to Stephen Homrighaus, Central Region Director. The East Region—Maine, Vermont, New Hampshire, Massachusetts, Connecticut, Rhode Island, New York, Pennsylvania, New Jersey, Delaware, Maryland, West Virginia, Virginia, Tennessee, North Carolina, South Carolina, Georgia, Alabama, Mississippi, and Florida—is led by East Region Director Bob Duke and supported by his team of 10 Account Executives. Each of the three Public Sector Regional Sales Teams support the following industry markets: Armed Services, Corrections, Customs and Border Control, Education (Higher and Lower), Intelligence and National Security, National Public Administration, State and Local Justice and Public Safety, State and Local Public Administration, State and Local Utilities, Transport (Airports, Interurban Highways, Interurban Rail, Ports, and Urban Mobility), Treasury and Central Banks, and Venues. The Public Sector Team also has Account Executives who support the following targeted markets: Airports, Cities, Federal Agencies, Mobility (Transit Agencies), Parking, Strategic Partnerships, and Traffic. These Account Executives report directly to the National Director of Public Sector Sales. In addition to the Sales Leadership and Account Executives, the Public Sector Sales Team includes: field sales engineers—10 each in the West and Central regions, 7 in the Northeast, and 9 in the Southeast; inside sales engineers—2 each in the West, Central, and East regions; and 8 Channel Account Executives who directly support Genetec's Channel Partners—4 in the West Region, and 2 each in the Central and East Regions.

74 **Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.**

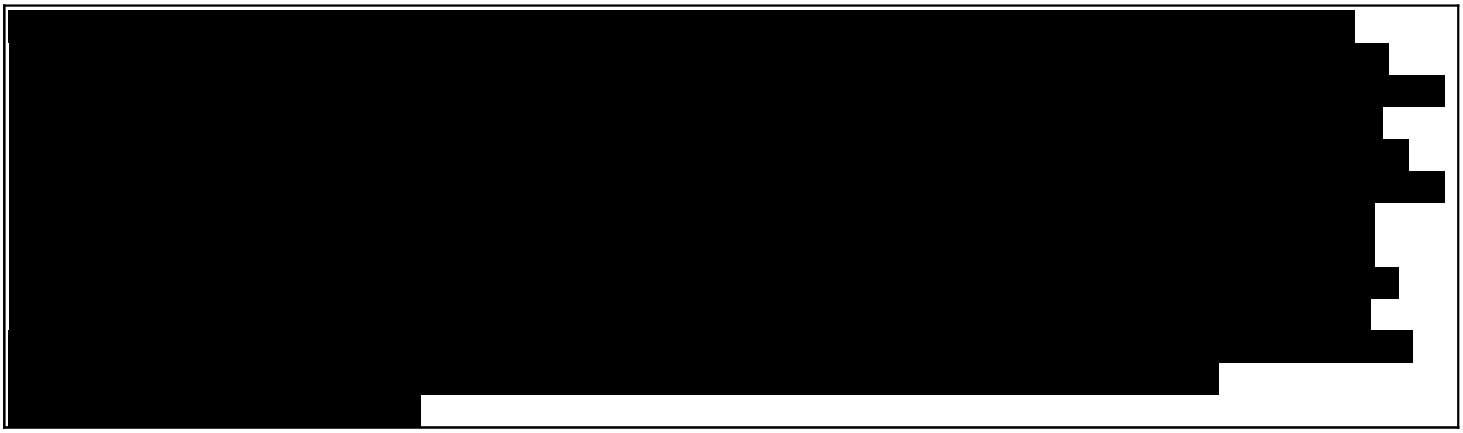
Genetec Channel Partners (the resellers on our contract) are likely to be the Participating Agencies' first point of contact. Therefore, it is critical our resellers understand the scope and benefits of the OMNIA Partners contract. In conjunction with the contract trainings offered to our Genetec Public Sector Sales team, our Contracts Management team will instruct our Channel Partners on how to use the OMNIA contract, the agencies eligible to purchase from the contract, and the policies and procedures that must be followed to ensure compliance with the contract so they are prepared to support OMNIA members through the entire sales cycle — from project inception to purchase to solution deployment to post-sales support. Our Public Sector and Channel Sales teams will help to drive increased adoption and contract growth. Our customers are seeking a unified security platform, including weapons detection. Our extended sales team — Public Sector Account Executives and Channel Partner resellers — will be prepared to guide and educate end users on this new procurement option. Through our extended team, Genetec will market the OMNIA Partners contract to our customers, including its benefits, product categories, administrative fee structure, and flexibility. In addition, Genetec's Public Sector Sales team/Sales leadership, Contracts Management team, and Marketing team will engage with OMNIA Regional Managers and leaders in Partner Development and Strategic Accounts to review the state of our joint business, develop growth goals and strategies, and execute on these to drive business to the OMNIA Partners contract.

75 **Explain in detail how Offeror will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract**

administration, etc.

Our Contracts Management Team will meet on a regular cadence (weekly, monthly, quarterly) with our Marketing and Public Sector Sales Teams to nurture and advance adoption of the OMNIA Partners contract with new and existing customers. Together, these teams will develop and execute targeted marketing and sales strategies, focusing on the myriad verticals Genetec has a close relationship with that can benefit from using this contract, including public safety, State and local government, higher and lower education, transportation, and utilities. Our teams will attend Local, State, Regional, and National Cooperative shows to build and promote brand and contract awareness. Genetec has an established program of Consultant Partners, whom we will engage at shows and to set up meetings as needed for introductions to State and local government agencies and to assist in nurturing and developing relationships as we build our OMNIA portfolio of accounts. Our Contracts Manager will be hands-on throughout all steps of the process, and from contract initiation to closure, to ensure engagement, continual growth, compliance, and accurate reporting.

76 **State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.**



77	**Year 1 - Provide the Contract Sales (as defined in Section 12 of OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").** To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales. *No response*
78	**Year 2 - Provide the Contract Sales (as defined in Section 12 of OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement** To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales. *No response*
79	**Year 3 - Provide the Contract Sales (as defined in Section 12 of OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement** To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales. *No response*
80	**Please download and thoroughly review the Scope of Work, located on the Attachments Tab. Indicate your review and acceptance.** ☑ Yes
81	**Oral Communications concerning this RFP shall not be binding and shall in no way excuse an Offeror of the obligations set forth in this proposal.** ☑ Yes
82	**Please download and thoroughly review the Terms and Conditions, located on the Attachments Tab. Indicate your review and acceptance.** ☑ Yes

83	**Products/Pricing - Upload on Response Attachments Tab** i. Offerors shall provide pricing based on coefficient pricing completing Appendix D; or on a discount from a manufacturer's or other price list or catalog, or fixed price, or a combination of both with indefinite quantities. Prices listed will be used to establish the extent of a manufacturer's product lines, services, warranties, etc. that are available from Offeror and the pricing per item. Multiple percentage discounts are acceptable if, where different percentage discounts apply, the different percentages are specified. Additional pricing and/or discounts may be included. Products and services proposed are to be priced separately with all ineligible items identified. Discounts proposed shall remain the same throughout the term of the contract and at all renewal options. At a minimum the Awarded Offeror must hold the proposed price list firm for the first 12 months after the contract award. Offerors may elect to limit their proposals to any category or categories. · Complete the applicable Pricing information o Provide equipment manufacturer, equipment types and discount off published list price. o Define any freight charges. o Provide classifications of labor with billable rates for each respondent's office(s), territories or district(s) along with any sub-office pricing as required. Each of these labor classification rates shall be fully burdened, defined and will be set for Normal Working Hours and Non-Normal Working Hours. Sub-contractor labor shall not be recognized. Each respondent shall determine their sub-contractor's labor rate as a prime labor classification. For example, an electrician's labor rate shall be calculated based on the respondent's sub-contractor's labor billable rate plus respondent's normal margins on sub-contractor labor. Labor classification shall be provided in the response. o If using coefficient pricing, the Normal Working Hours and Non-Normal Working Hours for tasks identified in the Scope of Work shall use a benchmark against an established data set (e.g.; RSMeans or others) to ensure that the hours provided can be verified. Each of these hourly tasks shall have a coefficient of labor against an established data set (e.g.; RSMeans or others) city cost index by each respondent's office(s), territories or district(s) to determine effectiveness of providing these tasks. Offerors using coefficient pricing will complete Appendix D. Federal Funding Pricing: Due to products and services potentially being used in response to an emergency or disaster recovery situation in which federal funding may be applied, provide alternative pricing that does not include cost plus a percentage of cost or pricing based on time and materials; if time and materials is necessary, a ceiling price that the contract exceeds at its own risk will be needed. Products and services provided in a situation where an agency is eligible for federal funding, Offeror is subject to and must comply with all federal requirements applicable to the funding including, but not limited to the FEMA Special Conditions section located in the Federal Funds Certifications Exhibit F.

84	**Not to Exceed Pricing** Region 4 ESC requests pricing be submitted as not to exceed pricing. Unlike fixed pricing, the Contractor can adjust submitted pricing lower if needed but, cannot exceed original pricing submitted. Contractor must allow for lower pricing to be available for similar product and service purchases. Cost plus pricing as a primary pricing structure is not acceptable.

85	**Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.** Genetec has a global supply chain, with trusted partners (suppliers) located all around the world. Genetec currently has a network of seven (7) warehouses worldwide: one (1) each in the US, France, UK, Australia, and India and two (2) in Canada. Our off-the-shelf products generally are shipped out of the warehouse located closest to the customer. For this contract, products will be shipped from our US-DC location. In an effort to reduce lead time, custom products usually are drop-shipped directly from our suppliers.

86	**Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide,** to include, but not limited to: i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days Genetec's leadership team is securely behind the growth and strategy of this program nationwide. We understand launch implementation plays a pivotal role in the overall success of any national cooperative contract. Upon award of the OMNIA Partners contract, our sales team leadership will evangelize this agreement as a preferred contract vehicle for the purchase of Genetec security solutions. Within 10 days of contract award, the National Public Sector Sales Director will make a sales-specific announcement of the award, detailing contract benefits and naming those Channel Partners across the country initially added to the contract. From our executive leadership to contract management, our public sector sales team will collaborate to launch and grow this contract. Within 30 days, our National Public Sector Sales Director and Contracts Office Program Manager will meet with the OMNIA Partners Member Development Team for an initial kickoff call to discuss timelines and expectations. Genetec will bring together our sales leadership, strategic account executives, marketing team, and contract manager with OMNIA Partners Member Development and Marketing Teams multiple times a year to review contract initiatives, joint goals, and customer feedback. Our ongoing effort in specific target accounts will help drive contract adoption among new users. A required training will be conducted by our Contracts Office for all public sector account executives and Channel Partners assigned as resellers to the OMNIA Partners contract to ensure clear understanding of the service levels, reporting, and related information. Training will cover the scope of the contract, contract operations, Genetec-OMNIA Partners contract growth strategy (endorsed by Genetec executive leadership), and contract benefits. Training will equip our public sector sales team - including both Genetec account executives and Channel Partner resellers — to communicate with customers. Genetec will complete curriculum development, trainings, and creation of collateral within 90 days of contract award.

87	**Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective** Public Agencies nationwide immediately upon award, to include, but not limited to: i. Creation and distribution of a co-branded press release to trade publications ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days iii. Design, publication and distribution of co-branded marketing materials within first 90 days iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners. vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.) viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with: • OMNIA Partners standard logo; • Copy of original Request for Proposal; • Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier; • Summary of Products and pricing; • Marketing Materials • Electronic link to OMNIA Partners' website including the online registration page; • A dedicated toll-free number and email address for OMNIA Partners Our marketing team understands how to reach our end users and will use the appropriate trade publications, customer-facing collateral, custom flyers, email campaigns, social media, etc., to evangelize the Master Agreement. And we will identify priority trade shows, conferences, and meetings to attend and participate in

throughout the term of the Agreement to help meet its growth potential. Upon award, Genetec intends to hold a collaborative kickoff meeting dedicated to developing our go-to-market strategy, including the development and distribution of co-branded marketing materials within the first 90 days. Within 30 days of contract launch, the Genetec contract, sales, and marketing teams will work with OMNIA Partners marketing and membership development teams to discuss and plan activities to promote the new contract. This will include the creation of a co-branded press release announcing the award of the Master Agreement, with endorsement by Genetec executive leadership and distribution to appropriate trade publications to generate awareness of this contract venue for Genetec solutions. Award messaging also will be shared through internal communication channels. External messaging will continue as necessary to promote the Master Agreement, including distribution to national and regional trade publications, throughout the term of the award. Genetec will work with OMNIA Partners during the first 90 days to develop content for co-marketing material (e.g., customer-facing email and digital and print flyers, presentation resources, announcements, advertisements). The Genetec and OMNIA teams will meet to review collateral and discuss any planned marketing outreach and targeted campaigns. Content will focus on the administrative and strategic value of using the OMNIA Partners Master Agreement and highlight the cost and time savings associated with leveraging such an agreement. Possible outlets include internal Genetec corporate communications and Channel marketing; direct email marketing to current Genetec customers and OMNIA membership; attendance at trade shows, conferences, and meetings; and social media (e.g., LinkedIn). We use our active social media to help customers stay informed with links, posts, and articles of interest. Genetec also regularly produces content on industry news, emerging technologies, and product launches. Our marketing efforts and collaboration with the OMNIA Partners team will continue throughout the term of the agreement. Within 90 days of award, we will finalize all collateral and create a timeline for distributing the marketing collateral to relevant Genetec customers as well as to registered members of OMNIA Partners. Genetec's Contracts Office Program Manager already attends the NIGP Annual Forum. With award of this contract, attendance will expand to additional team members, as needed, to assist with marketing the OMNIA Partners Agreement and to staff an exhibit space in the OMNIA Partners designated area in the NIGP Exhibit Hall. Genetec will participate in the overall promotion and marketing efforts for the NIGP Annual Forum as instructed by OMNIA Partners. Genetec also commits to participating in other national, regional, and supplier-specific trade shows, conferences, and meetings throughout the term of the Master Agreement. Genetec will create a dedicated landing page (OMNIA Partners' microsite) on Genetec's public-facing website, featuring both Genetec and OMNIA Partners' standard logos, to highlight the OMNIA Partners Master Agreement award details, including the original Request for Proposal (RFP), a copy of the Master Agreement and amendments to same, a copy of Genetec's contract price list highlighting all products as well as pricing details, a list of resellers (Channel Partners) with contact information, marketing collateral, a link to the OMNIA Partners' website - including the online registration page - and a dedicated toll-free number and email address for OMNIA Partners.

88 **GENERAL TERMS AND CONDITIONS**

Respondent agrees to comply with the Contract and General Terms and Conditions provided as an attachment to this online bid event. Any deviations to the Contract and General Terms and Conditions may be provided using the procedures set forth in the attribute pertaining to deviations.

☑ I certify compliance with this attribute.

89 **DEVIATIONS TO TERMS AND CONDITIONS**

Any Deviation from the RFP documents, including the General Terms and Conditions, Notice to Offeror, or any other document presented with terms for consideration by the proposer MUST be documented and presented on the Deviation Form and attached to this electronic bid event via an electronic upload to the "Response Attachments" tab. In addition to indicating the requested deviations on the form, additional pages may be provided to more thoroughly explain each deviation listed on the Deviation Form.

☑ I certify compliance with this attribute.

90 **FELONY CONVICTION NOTIFICATION**

State of Texas Legislative Senate Bill No. 1 Section 44.034, Notification of Criminal History, Subsection (a), states “a person or business entity that enters into an agreement with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony”.

Subsection (b) states “a school district may terminate the agreement with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a), or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract”.

Subsection (c) states “this section does not apply to a publicly held corporation”.

Use the list of values associated with this item to identify your status as it relates to this legal requirement.

Non-Felon - person/owner IS NOT a convicted felon

91 **NAME OF FELON AND NATURE OF FELONY, IF APPLICABLE**

If response to previous attribute was "Felon - person/owner IS a convicted felon", vendor shall give the name of the felon and details of conviction.

If you did not answer "Felon - person/owner IS a convicted felon" in the previous question, type "N/A" in the respective field.

N/A

92 **CRIMINAL HISTORY RECORDS REVIEW OF CERTAIN CONTRACT EMPLOYEES**

Texas Education Code Chapter §22.0834 requires that criminal history records be obtained regarding covered employees of entities that contract with a school entity in Texas to provide services for that school entity (“Contractors”) and entities that contract with school entity contractors (“Subcontractors”). Covered employees with disqualifying criminal histories are prohibited from serving at a school entity. Contractors/Subcontractors contracting with a school entity shall (1) maintain compliance with the requirements of Texas Education Code Chapter 22 to the school entity; and (2) require that each of their subcontractors complies with the requirements of Texas Education Code Chapter 22. Contractors performing work at a school entity in Texas must comply with these statutes.
Compliance includes providing or causing employees and sub-contractor employees to provide requested information and fingerprinting upon request.
Covered employees: Employees of a Contractor/Subcontractor who have or will have continuing duties related to the service to be performed at a school entity ***and*** have or will have direct contact with students. The school entity will be the final arbiter of what constitutes *continuing duties* and *direct contact* with students at their school.

☑ I certify compliance with this attribute.

93 **HISTORICALLY UNDERUTILIZED BUSINESS (HUB) CERTIFICATION**

Businesses that have been certified by the Texas Building and Procurement Commission (TBPC) or other qualified agency as Historically Underutilized Business (HUB) entities are encouraged to indicate their HUB status when responding to this proposal invitation. The electronic catalogs will indicate HUB certifications for vendors that properly indicate and document their HUB certification on this form.
Select one of the available options:

OPTION A: My business has NOT been certified as HUB.

OPTION B: I certify that my business has been certified as a Historically Underutilized Business (HUB), and I have/will upload the certification information into the "Response Attachments" Tab located in this online bidding event.

OPTION A - Not HUB

94	**DISCLOSURE OF INTERESTED PARTIES**
	Texas state law requires the Disclosure of Interested Parties be filed with a public entity, including regional service centers and school districts, for any contract which:
	(1) requires an action or vote by the governing body; or
	(2) has a value of $1 million or more; or
	(3) for any services provided that would require an individual to register as a lobbyist under TX Gov't Code Chapter 305.
	
	NOTE: This form is not required if the vendor is a publicly-traded business entity, including a wholly-owned subsidiary of the business entity (a company in which ownership is dispersed among the general public via shares of stock which are traded via at least one stock exchange or over-the-counter market).
	
	If you are required by law to submit this form, it must be completed online at the Texas Ethics Commission website. Obtain a numbered certificate and click the link below to access the instructions and to complete this required form. Upon completion, vendors required to submit the form must attach it to the proposal via the "Response Attachments" Tab.
	
	Click here to complete the form on the Texas Ethic Commission's 1295 Form webpage.
	
	Please note: The District must verify receipt of all required 1295 forms received within 30 days on the Texas Ethics Commission website. This verification does not indicate a contract award. Contract awards will be issued via direct communication from the AISD Purchasing Department. A contract requiring a Disclosure of Interested Parties form is voidable at any time if:
	(1) the governmental entity or state agency submits to the business entity written notice of the business entity's failure to provide the required disclosure; and
	(2) the business entity fails to submit to the governmental entity or state agency the required disclosure on or before the 10th business day after the date the business entity receives the written notice.
	
	IF UNDER LAW YOU ARE EXEMPT FROM SUBMITTING THIS 1295 FORM, PROPOSERS MUST SUBMIT A DOCUMENT THAT SHOWS PROOF OR PROVIDES EXPLANATION OF THIS EXEMPTION.
	
	THE FOLLOWING CONTRACTS ARE EXEMPT FROM THE REQUIREMENTS OF TEXAS DISCLOSURE OF INTERESTED PARTIES LAWS:
	• *a sponsored research contract of an institution of higher education;*
	• *an interagency contract of a state agency or an institution of higher education;*
	• *a contract related to health and human services if:*
	  • *the value of the contract cannot be determined at the time the contract is executed; and*
	  • *any qualified vendor is eligible for the contract;*
	• *a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity;*
	• *a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code; or*
	• *a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.*
	
	☑ I certify compliance with this attribute.

CONFLICT OF INTEREST QUESTIONNAIRE

Region 4 Education Service Center (Region 4) is required to comply with Texas Local Government Code Chapter 176, Disclosure of Certain Relationships with Local Government Officers. House Bill 23 significantly changed Chapter 176 as well as the required disclosures and the corresponding forms. As of September 1, 2015, any vendor who does business with Region 4 or who seeks to do business with Region 4 must fill out the new Conflict of Interest Questionnaire (CIQ) if a conflict of interest exists. A conflict of interest exists in the following situations:

1) If the vendor has an employment or other business relationship with a local government officer of Region 4 or a family member of the officer, as described by section 176.003(a)(2)(A) of the Texas Local Government Code; or
2) If the vendor has given a local government officer of Region 4, or a family member of the officer, one or more gifts with the aggregate value of $100, excluding any gift accepted by the officer or a family member of the officer if the gift is: (a) a political contribution as defined by Title 15 of the Election Code; or (b) a gift of food accepted as a guest; or
3) If the vendor has a family relationship with a local government officer of Region 4.

"Vendor" means a person who enters or seeks to enter into a contract with a local governmental entity. The term includes an agent of a vendor. The term includes an officer or employee of a state agency when that individual is acting in a private capacity to enter into a contract. The term does not include a state agency except for Texas Correctional Industries. Texas Local Government Code 176.001(7).

"Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on: (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity; (B) a transaction conducted at a price and subject to terms available to the public; or (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency. Texas Local Government Code 176.001(3).

"Family relationship" means a relationship between a person and another person within the third degree by consanguinity or the second degree by affinity, as those terms are defined by Subchapter B, Chapter 573, Government Code. Texas Local Government Code 176.001(2-a).

"Local government officer" means: (A) a member of the governing body of a local governmental entity; (B) a director, superintendent, administrator, president, or other person designated as the executive officer of a local governmental entity; or (C) an agent of a local governmental entity who exercises discretion in the planning, recommending, selecting, or contracting of a vendor. Texas Local Government Code 176.001(4).

Individuals serving as a Member of the Board of Directors, the Executive Director, Cabinet Members, and other local government officers may be found at: https://www.esc4.net/about/about-region-4.

For additional information on Conflict of Interest Questionnaire, and the statutes that mandate it, please visit the following links:
Texas Local Government Code, Section 176
Texas House Bill 23

A blank Conflict of Interest Questionnaire is available by clicking:
https://www.ethics.state.tx.us/data/forms/conflict/CIQ.pdf.

If your firm is required to return a completed Conflict of Interest Questionnaire with your proposal submission, use the "Response Attachments" Tab to upload the completed document.

☑ I certify compliance with this attribute.

96

ENTITITES THAT BOYCOTT ISRAEL

Pursuant to Chapter 2271 of the Texas Government Code, the Respondent hereby certifies and verifies that neither the Respondent , nor any affiliate, subsidiary, or parent company of the Respondent , if any (the "Respondent Companies"), boycotts Israel, and the Respondent agrees that the Respondent and Respondent Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

EXCEPTIONS: Clause only applies to contracts and contractors that meet the following criteria: (i) Respondent is not a sole proprietorship; (ii) with 10 or more full-time employees; and (iii) with a contract to be paid a value of $100,000 or more wholly or partially from public funds of the governmental entity.

☑ I certify compliance with this attribute.

97

FOREIGN TERRORIST ORGANIZATIONS

Section 2252.152 of the Texas Government Code prohibits Region 4 ESC from awarding a contract to any person who does business with Iran, Sudan, or a foreign terrorist organization as defined in Section 2252.151 of the Texas Government Code. Respondent certifies that it not ineligible to receive the contract.

☑ I certify compliance with this attribute.

98

FIREARMS ENTITIES AND TRADE ASSOCIATIONS DISCRIMINATION

Respondent verifies that: (1) it does not, and will not for the duration of the contract, have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association or (2) the verification required by Section 2274.002 of the Texas Government Code does not apply to the contract. If circumstances relevant to this provision change during the course of the contract, Respondent shall promptly notify Region 4 ESC.

APPLICABILITY: This clause applies only to a contract that: (1) is between a governmental entity and a company with at least 10 full-time employees; and (2) has a value of at least $100,000 that is paid wholly or partly from public funds of the governmental entity.

EXCEPTIONS: This clause is not required when a state Agency: (1) contracts with a sole-source provider; or (2) does not receive any bids from a company that is able to provide the written verification required by Section 2274.002(b) of the Texas Government Code.

☑ I certify compliance with this attribute.

99

ENERGY COMPANY BOYCOTT PROHIBITED

Respondent represents and warrants that: (1) it does not, and will not for the duration of the contract, boycott energy companies or (2) the verification required by Section 2274.002 of the Texas Government Code does not apply to the contract. If circumstances relevant to this provision change during the course of the contract, Respondent shall promptly notify Region 4 ESC.

EXCEPTIONS: Clause only applies to contracts and contractors that meet the following criteria: (i) a "company" within the definitions of Section 2274.001(2) of the Tex. Gov't Code; (ii) with 10 or more full-time employees; and (iii) with a contract to be paid a value of $100,000 or more wholly or partially from public funds of the governmental entity.

☑ I certify compliance with this attribute.

100

CRITICAL INFRASTRUCTURE AFFIRMATION

Pursuant to Government Code Section 2274.0102, Respondent certifies that neither it nor its parent company, nor any affiliate of Respondent or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Government Code Section 2274.0103, or (2) headquartered in any of those countries.

EXCEPTION: Clause only applies to solicitations and contracts in which the contractor would be granted direct or remote access to or control of critical infrastructure, as defined by Section 2274.0101 of the Texas Government Code, in this state, other than access specifically allowed for product warranty and support purposes.
The Governor of the State of Texas may designate countries as a threat to critical infrastructure under Section 2274.0103 of the Texas Government Code. Agencies should promptly add any country that is designated by the Governor to this clause."

☑ I certify compliance with this attribute.

101

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

OPTION A: We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

OPTION B: We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act and these requested exemptions are uploaded into the "Response Attachments" Tab located in this online bidding event.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confidential and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

OPTION B - Proprietary information marked

102

CONSENT TO RELEASE PROPOSAL TABULATION

Notwithstanding anything explicitly and properly declared as Confidential or Proprietary Information to the contrary, by submitting a Proposal, Vendor consents and agrees that, upon Contract award, the District may publicly release, including posting on the public Region 4 ESC and/or OMNIA Partners website(s), a copy of the proposal tabulation for the Contract including Vendor name; proposed catalog/pricelist name(s); proposed percentage discount(s), unit price(s), hourly labor rate(s), or other specified pricing; and Vendor award notice information.

☑ I certify compliance with this attribute.

103

CONTRACTING INFORMATION

If Vendor is not a governmental body and

(a) this Agreement has a stated expenditure of at least $1 million in public funds for the purchase of goods or services by REGION 4 ESC; or

(b) this Agreement results in the expenditure of at least $1 million in public funds for the purchase of goods or services by REGION 4 ESC in a fiscal year of REGION 4 ESC, the following certification shall apply; otherwise, this certification is not required.

As required by Tex. Gov't Code § 552.374(b), the following statement is included in the RFP and the Agreement (unless the Agreement is

(1) related to the purchase or underwriting of a public security;

(2) is or may be used as collateral on a loan; or

(3) proceeds from which are used to pay debt service of a public security of loan):

"The requirements of Subchapter J, Chapter 552, Government Code, may apply to this RFP and Agreement and the contractor or vendor agrees that the contract can be terminated if the contractor or vendor knowingly or intentionally fails to comply with a requirement of that subchapter."

Pursuant to Subchapter J, Chapter 552, Texas Government Code, the Vendor hereby certifies and agrees to

(1) preserve all contracting information related to this Agreement as provided by the records retention requirements applicable to REGION 4 ESC for the duration of the Agreement;

(2) promptly provide to REGION 4 ESC any contracting information related to the Agreement that is in the custody or possession of the Vendor on request of REGION 4 ESC; and

(3) on completion of the Agreement, either

(a) provide at no cost to AISD all contracting information related to the Agreement that is in the custody or possession of Vendor, or

(b) preserve the contracting information related to the Agreement as provided by the records retention requirements applicable to REGION 4 ESC.

☑ I certify compliance with this attribute.

104

ANTI-TRUST CERTIFICATION STATEMENT

Vendor affirms under penalty of perjury of the laws of the State of Texas that:

(1) I am duly authorized to execute this contract on my own behalf or on behalf of the company, corporation, firm, partnership or individual (Company) listed below;

(2) In connection with this bid, neither I nor any representative of the Company have violated any provision of the Texas Free Enterprise and Antitrust Act, Tex. Bus. & Comm. Code Chapter 15;

(3) In connection with this bid, neither I nor any representative of the Company have violated any federal antitrust law; and

(4) Neither I nor any representative of the Company have directly or indirectly communicated any of the contents of this bid to a competitor of the Company or any other company, corporation, firm, partnership or individual engaged in the same line of business as the Company.

☑ I certify compliance with this attribute.

105

FEDERAL RULE (A) - CONTRACT TERM VIOLATIONS

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000 (2 CFR §200.320), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

*Pursuant to Federal Rule (**A**) above, when federal funds are expended by Region 4 ESC, Region 4 ESC reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.*

☑ I certify compliance with this attribute.

106	**FEDERAL RULE (B) - TERMINATION CONDITIONS** **(B)** Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000) *Pursuant to Federal Rule (**B**) above, when federal funds are expended by REGION 4 ESC, REGION 4 ESC reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor, in the event vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation; (4) to the greatest extent authorized by law, if an award no longer effectuates the program goals or priorities of the Federal awarding agency or REGION 4 ESC. REGION 4 ESC also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if REGION 4 ESC believes, in its sole discretion that it is in the best interest of REGION 4 ESC to do so. The vendor will be compensated for work performed and accepted and goods accepted by REGION 4 ESC as of the termination date if the contract is terminated for convenience of REGION 4 ESC. Any award under this procurement process is not exclusive and REGION 4 ESC reserves the right to purchase goods and services from other vendors when it is in the best interest of REGION 4 ESC.* ☑ I certify compliance with this attribute.
107	**FEDERAL RULE (C) - EQUAL EMPLOYMENT OPPORTUNITY** **(C)** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.” It is the policy of REGION 4 ESC not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or disabling conditions in its programs. Vendor agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Vendor further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract. *Pursuant to Federal Rule (**C**) and the requirements stated above, when federal funds are expended by REGION 4 ESC on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.* ☑ I certify compliance with this attribute.

108

FEDERAL RULE (D) - DAVIS BACON ACT/COPELAND ACT

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146- 3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

*Pursuant to Federal Rule (**D**) above, when federal funds are expended by REGION4 ESC, during the term of an award for all contracts and subgrants for construction or repair, the vendor will be in compliance with all applicable Davis-Bacon Act provisions.*

☑ I certify compliance with this attribute.

109

FEDERAL RULE (E) - CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

(E) (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

*Pursuant to Federal Rule (**E**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act.*

☑ I certify compliance with this attribute.

110

FEDERAL RULE (F) - RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

(F) If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

*Pursuant to Federal Rule (**F**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.*

☑ I certify compliance with this attribute.

111

FEDERAL RULE (G) - CLEAN AIR ACT/FEDERAL WATER POLLUTION CONTROL ACT

(G) The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When federal funds are expended by REGION 4 ESC for any contract resulting from this procurement process, the vendor certifies that the vendor will be in compliance with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

When federal funds are expended by REGION 4 ESC for any contract resulting from this procurement process in excess of $100,000, the vendor certifies that the vendor is in compliance with all applicable standards, orders, regulations, and/or requirements issued pursuant to the Clean Air Act of 1970, as amended (42 U.S.C. 1857(h)), Section 508 of the Clean Water Act, as amended (33 U.S.C. 1368), Executive Order 117389 and Environmental Protection Agency Regulation, 40 CFR Part 15.

*Pursuant to Federal Rule (**G**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor agrees to comply with all applicable requirements as referenced in Federal Rule (**G**) above.*

☑ I certify compliance with this attribute.

112

FEDERAL RULE (H) - DEBARMENT AND SUSPENSION

(H) (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

*Pursuant to Federal Rule (**H**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency or by the State of Texas. Vendor shall immediately provide written notice to REGION 4 ESC if at any time the vendor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. REGION 4 ESC may rely upon a certification of a vendor that the vendor is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless REGION 4 ESC knows the certification is erroneous.*

☑ I certify compliance with this attribute.

113

FEDERAL RULE (I) - BYRD ANTI-LOBBYING AMENDMENT

(I) (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

*Pursuant to Federal Rule (**I**) above, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term and after the awarded term of an award for all contracts by REGION 4 ESC resulting from this procurement process, the vendor certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:*

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.
(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certificate is a prerequisite for making or entering into this transaction imposed by Section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

☑ I certify compliance with this attribute.

114

FEDERAL RULE (J) - PROCUREMENT OF RECOVERED MATERIALS

(J) When federal funds are expended by REGION 4 ESC, REGION 4 ESC and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

*Pursuant to Federal Rule (**J**) above, when federal funds are expended REGION 4 ESC, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), the vendor certifies, by signing this document, that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the contract will be at least the amount required by the applicable contract specifications or other contractual requirements.*

☑ I certify compliance with this attribute.

115

FEDERAL RULE (K) - PROHIBITION ON CERTAIN TELECOM AND SURVEILLANCE SERVICE AND EQUIPMENT

(K) Region 4 ESC, as a non-federal entity, is prohibited from obligating or expending Federal financial assistance, to include loan or grant funds, to: (1) procure or obtain,
(2) extend or renew a contract to procure or obtain, or
(3) enter into a contract (or extend or renew a contract) to procure or obtain, equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as a critical technology as part of any system. Covered telecommunications equipment is telecommunications equipment produced Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities) and physical security surveillance of critical infrastructure and other national security purposes, and video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities) for the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes detailed in 2 CFR § 200.216.

The Respondent certifies that it will not purchase equipment, services, or systems that use covered telecommunications, as defined herein, as a substantial or essential component of any system, or as critical technology as part of any system.

☑ I certify compliance with this attribute.

116

FEDERAL RULE (L) - BUY AMERICAN PROVISIONS

(L) As appropriate and to the extent consistent with law, REGION 4 ESC has a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States, including but not limited to iron, aluminum, steel, cement, and other manufactured products, when spending federal funds. Vendor agrees that the requirements of this section will be included in all subawards including all contracts and purchase orders for work or products under this award, to the greatest extent practicable under a Federal award. Purchases that are made with non-federal funds or grants are excluded from the Buy American Act.

Vendor certifies that it is in compliance with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must still follow the applicable procurement rules calling for free and open competition.

"Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

☑ I certify compliance with this attribute.

117

FEDERAL RULE - REQUIRED AFFIRMATIVE STEPES FOR SMALL, MINORITY, AND WOMEN-OWNED FIRMS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS

When federal funds are expended by REGION 4 ESC, Vendor is required to take all affirmative steps set forth in 2 CFR 200.321 to solicit and reach out to small, minority and women owned firms for any subcontracting opportunities on the project, including:

1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

☑ I certify compliance with this attribute.

118

FEDERAL RULE - FEDERAL RECORD RETENTION

When federal funds are expended by REGION 4 ESC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.334. The vendor further certifies that vendor will retain all records as required by 2 CFR §200.334 for a period of five (5) years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Vendor agrees that REGION 4 ESC, Inspector General, Department of Homeland Security, FEMA, the Comptroller General of the United States, or any of their duly authorized representatives shall have access to any books, documents, papers and records of Vendor, and its successors, transferees, assignees, and subcontractors that are directly pertinent to the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents. Vendor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. Vendor agrees to provide the FEMA Administrator or his authorized representative access to construction or other work sites pertaining to the work being completed under the Contract.

☑ I certify compliance with this attribute.

119

FEDERAL RULE - PROFIT NEGOTIATION

For purchases using Federal funds in excess of $250,000, REGION 4 ESC may be required to negotiate profit as a separate element of the price. (See 2 CFR 200.324(b)).

When required by REGION 4 ESC, Vendor agrees to provide information relating to profitability of the given transaction and itemize the profit margin as a separate element of the price.

☑ I certify compliance with this attribute.

120

FEDERAL RULE - SOLID WASTE DISPOSAL ACT

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Sold Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceed $10,000; procuring sold waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014.)

Pursuant to this federal rule, when federal funds are expended by REGION 4 ESC, the vendor certifies that during the term of all contracts resulting from this procurement process, the vendor agrees to comply with all applicable requirements as referenced in this paragraph.

☑ I certify compliance with this attribute.

121

APPLICABLITY TO SUBCONTRACTORS

Vendor agrees that all contracts it awards pursuant to this procurement action shall be bound by the terms and conditions of this procurement action.

☑ I certify compliance with this attribute.

122

COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When REGION 4 ESC expends federal funds for any contract resulting from this procurement process, Vendor certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

☑ I certify compliance with this attribute.

123

INDEMNIFICATION

Acts or Omissions

Vendor shall indemnify and hold harmless Region 4, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES arising out of, or resulting from any acts or omissions of the Vendor or its agents, employees, subcontractors, Order Fulfillers, or suppliers of subcontractors in the execution or performance of the Contract and any Purchase Orders issued under the Contract.

Infringements

a) Vendor shall indemnify and hold harmless Region 4 and Customers, AND/OR THEIR EMPLOYEES, AGENTS, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES from any and all third party claims involving infringement of United States patents, copyrights, trade and service marks, and any other intellectual or intangible property rights in connection with the PERFORMANCES OR ACTIONS OF VENDOR PURSUANT TO THIS CONTRACT. VENDOR AND THE CUSTOMER AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. VENDOR SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE INCLUDING ATTORNEYS' FEES.

b) Vendor shall have no liability under this section if the alleged infringement is caused in whole or in part by: (i) use of the product or service for a purpose or in a manner for which the product or service was not designed, (ii) any modification made to the product without Vendor's written approval, (iii) any modifications made to the product by the Vendor pursuant to Customer's specific instructions, (iv) any intellectual property right owned by or licensed to Customer, or (v) any use of the product or service by Customer that is not in conformity with the terms of any applicable license agreement.

c) If Vendor becomes aware of an actual or potential claim, or Customer provides Vendor with notice of an actual or potential claim, Vendor may (or in the case of an injunction against Customer, shall), at Vendor's sole option and expense; (i) procure for the Customer the right to continue to use the affected portion of the product or service, or (ii) modify or replace the affected portion of the product or service with functionally equivalent or superior product or service so that Customer's use is non-infringing.

Taxes/Workers' Compensation/Unemployment Insurance – Including Indemnity

a) VENDOR AGREES AND ACKNOWLEDGES THAT DURING THE EXISTENCE OF THIS CONTRACT, VENDOR SHALL BE ENTIRELY RESPONSIBLE FOR THE LIABILITY AND PAYMENT OF VENDOR'S AND VENDOR'S EMPLOYEES' TAXES OF WHATEVER KIND, ARISING OUT OF THE PERFORMANCES IN THIS CONTRACT. VENDOR AGREES TO COMPLY WITH ALL STATE AND FEDERAL LAWS APPLICABLE TO ANY SUCH PERSONS, INCLUDING LAWS REGARDING WAGES, TAXES, INSURANCE, AND WORKERS' COMPENSATION. THE CUSTOMER AND/OR REGION 4 SHALL NOT BE LIABLE TO THE VENDOR, ITS EMPLOYEES, AGENTS, OR OTHERS FOR THE PAYMENT OF TAXES OR THE PROVISION OF UNEMPLOYMENT INSURANCE AND/OR WORKERS' COMPENSATION OR ANY BENEFIT AVAILABLE TO A STATE EMPLOYEE OR EMPLOYEE OF ANOTHER GOVERNMENTAL ENTITY CUSTOMER.

b) VENDOR AGREES TO INDEMNIFY AND HOLD HARMLESS CUSTOMERS, REGION 4 AND/OR THEIR EMPLOYEES, AGENTS, REPRESENTATIVES, CONTRACTORS, AND/OR ASSIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEYS' FEES, AND EXPENSES, RELATING TO TAX LIABILITY, UNEMPLOYMENT INSURANCE AND/OR WORKERS' COMPENSATION IN ITS PERFORMANCE UNDER THIS CONTRACT, VENDOR SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE INCLUDING ATTORNEYS' FEES.

☑ I certify compliance with this attribute.

124

EXCESS OBLIGATIONS PROHIBITED

Proposer understands that all obligations of Region 4 ESC under the contract are subject to the availability of state funds. If such funds are not appropriated or become unavailable, the contract may be terminated by Region 4 ESC.

☑ I certify compliance with this attribute.

125

SUSPENSION AND DEBARMENT

Respondent certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the contract by any state or federal agency.

☑ I certify compliance with this attribute.

126	**CHANGE IN LAW AND COMPLIANCE WITH LAWS** Proposer shall comply with all laws, regulations, requirements and guidelines applicable to a vendor providing services and products required by the contract to the Region 4 ESC, as these laws, regulations, requirements and guidelines currently exist and as amended throughout the term of the contract. Region 4 ESC reserves the right, in its sole discretion, to unilaterally amend the contract prior to award and throughout the term of the contract to incorporate any modifications necessary for compliance with all applicable state and federal laws, regulations, requirements and guidelines. ☑ I certify compliance with this attribute.

TERMS & CONDITIONS ACCEPTANCE FORM

Signature on the Offer and Contract Signature form certifies complete acceptance of the terms and conditions in this solicitation and draft Contract except as noted below with proposed substitute language (additional pages may be attached, if necessary). The provisions of the RFP cannot be modified without the express written approval of Region 4 ESC. If a proposal is returned with modifications to the draft Contract provisions that are not expressly approved in writing by Region 4 ESC, the Contract provisions contained in the RFP shall prevail.

Check one of the following responses:

Offeror takes no exceptions to the terms and conditions of the RFP and draft Contract. (*Note: If none are listed below, it is understood that no exceptions/deviations are taken.)*

Offeror takes the following exceptions to the RFP and draft Contract. All exceptions must be clearly explained, reference the corresponding term to which Offeror is taking exception and clearly state any proposed modified language, proposed additional terms to the RFP and draft Contract must be included:

(*Note: Unacceptable exceptions may remove Offeror's proposal from consideration for award. Region 4 ESC shall be the sole judge on the acceptance of exceptions and modifications and the decision shall be final.*

If an offer is made with modifications to the contract provisions that are not expressly approved in writing, the contract provisions contained in the RFP shall prevail.)

Section 30/p.6	Indemnity	REPLACE WITH 30(a) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against all third party claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas. Parties agree to waive the right to a Jury trial. For greater clarity, the indemnity provided in the section shall only apply to Region 4 ESC and not extend to any Public Agencies. 30(b) Indemnity Against Infringement. Contractor agrees to defend Region 4 ESC against or settle any demands, claims and suits brought against Region 4 ESC by an independent third party alleging that a Contractor's software, hardware or services sold under this Contract and used in accordance with the applicable product terms and the accompanying documentation infringes or misappropriates intellectual property rights of such third party (each a "Claim"), and Contractor agrees to indemnify and hold Region ESC 4 harmless from any damages, fees and costs finally awarded against Region ESC 4, or the amounts payable by Region ESC 4 under a settlement approved by Contractor in writing, as a result of such Claim and to the extent caused by Contractor, provided that Region ESC 4 promptly gives Contractor a written notice of such Claim, gives Contractor sole control of the defense or settlement of the Claim and provides Contractor with all reasonable assistance at Contractor's expense. Contractor shall obtain Region ESC 4's prior written approval of any settlement under which Region ESC 4 would be required to pay any fees or to admit to any wrongdoing or liability. Regardless of the above, upon becoming aware of a Claim, Contractor may, at its own expense and option, either: (i) procure the right for Region ESC 4 to continue to use the allegedly infringing item as permitted under the Agreement or the Product Terms, (ii) modify the item to make it non-infringing without substantially compromising its principal functions, (iii) replace it with a non-infringing functional equivalent, in which case Region ESC 4 and the users shall promptly stop using the allegedly infringing	Initial

The Administrative Fee shall only be calculated based on the actual Contract Sales.	Acceptable

Appendix C, Doc #1

ACKNOWLEDGMENT AND ACCEPTANCE
OF REGION 4 ESC's OPEN RECORDS POLICY

OPEN RECORDS POLICY

All proposals, information and documents submitted are subject to the Public Information Act requirements governed by the State of Texas once a Contract(s) is executed. If an Offeror believes its response, or parts of its response, may be exempted from disclosure, the Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt and include detailed reasons to substantiate the exemption. Price is not confidential and will not be withheld. Any unmarked information will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any Offeror. Offeror is advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Signature below certifies complete acceptance of Region 4 ESC's Open Records Policy, except as noted below (additional pages may be attached, if necessary).

Check one of the following responses to the Acknowledgment and Acceptance of Region 4 ESC's Open Records Policy below:

We acknowledge Region 4 ESC's Open Records Policy and declare that no information submitted with this proposal, or any part of our proposal, is exempt from disclosure under the Public Information Act.

We declare the following information to be a trade secret or proprietary and exempt from disclosure under the Public Information Act.

(Note: Offeror must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, Offeror must include detailed reasons to substantiate the exemption(s). Price is not confident and will not be withheld. All information believed to be a trade secret or proprietary must be listed. It is further understood that failure to identify such information, in strict accordance with the instructions, will result in that information being considered public information and released, if requested under the Public Information Act.)

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, Rick Taylor, as an authorized representative of

Genetec, Inc. a contractor engaged by
Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The Region 4 ESC (hereinafter defined and referred to as "**Principal Procurement Agency**"), on behalf of itself and OMNIA Partners, Public Sector, Inc., a Delaware corporation ("**OMNIA Partners**"), is requesting proposals for Weapons and Threat Detection Equipment, Services, and Other Solutions. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("**Master Agreement**") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("**Public Agencies**"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether to make the Master Agreement awarded by the Principal Procurement Agency available to Participating

Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)
B. Website
C. Trade shows/conferences/meetings
D. Advertising
E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls
B. Joint sales calls
C. Communications/customer service
D. Training sessions for Public Agency teams
E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams

C. Training sessions for Supplier teams

D. Regular business reviews to monitor program success

E. General contract administration

Suppliers are required to pay an Administrative Fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B). At Supplier's option, Suppliers may pay additional fees beyond administrative fees, such as technology fees, to OMNIA Partners and/or a third party for additional support and/or access to OMNIA Partners' technology platform.

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $50M annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g., governing law) are subject to modification for each Participating Public Agency as Supplier and such Participating Public Agency may agree without being in conflict with the Master Agreement as a condition of the Participating Agency's purchase and not a modification of the Master Agreement applicable to all Participating Agencies. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (e.g., governing law, invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, etc.) ("Supplemental Agreement"). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. In instances where supplemental terms and conditions create additional risk and cost for Supplier, Supplier and Participating Public Agency may negotiate additional pricing above and beyond the stated contract not-to-exceed pricing so long as the added price is commensurate with the additional cost incurred by the Supplier. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable Administrative Fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;

B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;

C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;

D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its primary go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

3.0 SUPPLIER RESPONSE

As part of the attributes in Ion Wave, Offeror's are to supply the following information, to the best of their ability, in order for the Principal Procurement Agency to determine the Offeror's ability to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

3.1 Company

A. Brief history and description of Supplier to include experience providing similar products and services.

   Genetec, Inc., is a privately held company founded in 1997. Genetec global headquarters are in Montreal, Canada, where we serve our customers through a network of over 2,200 certified channel partners and consultants in over 159

countries. Genetec pioneered the first-ever IP video management software and has led the development of unified IP security solutions ever since. We continue to build and expand our solution platform to support our customers' security and operations needs within diverse market segments and complex network environments. Based on an open architecture, and built with cybersecurity at the core, today, Genetec solutions can be implemented on-premises, in the cloud, or in hybrid deployments. The company's flagship products, Genetec Security Center and Genetec Security Center SaaS, unify core physical security functions, such as access control, video surveillance, automatic license plate recognition (ALPR), weapons & intrusion detection, communications, and analytics.

B. Total number and location of salespersons employed by Supplier.

   89

C. Number and location of support centers (if applicable) and location of corporate office.

   Genetec currently has a network of seven warehouses worldwide: one each in the US, France, the UK, Australia, and India, and two in Canada.

   Our corporate headquarters is located in Quebec, Montreal, Canada.

D. Annual sales for the three previous fiscal years.

   2022: $132M

   2023: $178M

   2024: $200M

   a. Submit FEIN and Dun & Bradstreet report.

      FEIN: 98-0537294

      Genetec has not been rated by Dun & Bradstreet

E. Describe any green or environmental initiatives or policies.

   Synergis CloudLink complies with RoHS 2011/65 / EU environmental standards as well as REACH. In addition, a large part of the product's weight comes from its dissipator, and cover made from extruded aluminum. Aluminum is known to be a practically infinite recyclable metal, without degradation, and very profitable to recycle.

   An analysis of SharpV packaging is conducted to make sure it is mostly cardboard, while ensuring the integrity of the product for a typical transportation (i.e., packaging drop tests, vibration, shock). If foam is deemed necessary, we try as much as possible to use "green foam" (compostable foam). Proper protection of the different devices in a kit is always targeted to be achieved with the least amount of packaging possible and the most environmentally friendly (recyclable corrugated cartons everywhere possible) while sufficiently meeting protection criteria.

   If SharpV sustains light damage, it is refurbished at the factory (via RMA from the customer). In case of severe damage, or at the end of its life, it can be recycled like most electronic devices. The camera casing is made of thick die-cast aluminum, which is easy to recycle. The electronics inside can be recycled through appropriate recycling companies with techniques for recycling electronics (plastics, precious metals). The product is shipped in corrugated carton packaging, which can be recycled or composted. The camera is also shipped with "green foam" (corn-based foam), for shock absorption during transport. This green

foam can be composted or diluted in water for disposal.

F. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a list of diversity alliances and a copy of their certifications.

The Genetec Code of Business Conduct states we are non-discriminatory. “The diversity of Genetec employees is a tremendous asset and we are passionately committed to providing equal opportunity in all aspects of employment. Employment decisions are based on merit, qualifications, and abilities, and Genetec does not discriminate in employment opportunities or practices on the basis of race, religion, gender, sexual orientation, national origin, age, disability, or any other characteristic protected by law, and will not tolerate any such discrimination.” Genetec seeks like-minded companies as Channel Partners. We are firmly committed to diversity internally and externally, and within the security industry in general. Our vibrant internal cultural model is based on leadership by example, rather than on enforcement and metrics. Diversity in hiring is very important to Genetec. Our executive team has over 40% diverse representation and this only increases throughout the rest of the company.

G. Indicate if supplier holds any of the below certifications in any classified areas and include proof of such certification in the response:

a. Minority Women Business Enterprise

☐ Yes x No

If yes, list certifying agency: _____

b. Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE)

☐ Yes x No

If yes, list certifying agency: _____

c. Historically Underutilized Business (HUB)

☐ Yes x No

If yes, list certifying agency: _____

d. Historically Underutilized Business Zone Enterprise (HUBZone)

☐ Yes x No

If yes, list certifying agency: _____

e. Other recognized diversity certificate holder

☐ Yes x No

If yes, list certifying agency: _____

H. List any relationships with subcontractors or affiliates intended to be used when providing services and identify if subcontractors meet minority-owned standards. If any, list which certifications subcontractors hold and certifying agency.

Acom	CDW	CompuNet
Convergint	Cornerstone Detention Products	EyeP
IK Systems	Johnson Controls (JCI)	Minutemen
Moss	NextGen	NextGen Security
People Drive	Preferred Technologies, Inc.	Prime Communications
RL Controls **(WBE, DBE)**	Skyline Technology	SW24

I. Describe how supplier differentiates itself from its competitors.

Genetec had a vision to reduce the redundancy that came with having many different security solutions. We knew from speaking to our customers that integrating each security product together meant a lot of time, cost, and effort in maintenance and upgrades to each product individually. With that knowledge, we set out to create a physical security platform that would enable multiple products to be unified together to work as one.

Unlike integrated solutions, which connect one system to another, at its core, unified security is a suite of products developed as one unit. Customers can turn on or off different modules, but they can't break the connections – because there aren't any.

Genetec provides a portfolio of products beyond security to help with operations management and business insights. In addition to our unified security platform for video (Omnicast), access control (Synergis), and ALPR (AutoVu), we offer solutions customers can add on to this platform to extend the functionality of their security system.

These solutions help customers manage video evidence (Genetec Clearance), guide and automate incident response (Genetec Mission Control), facilitate physical access management (Genetec ClearID), and bring situational awareness for public safety (Genetec Citigraf). These are only a few of the value-added products available to complete the customer's security platform.

J. Describe any present or past litigation, bankruptcy or reorganization involving supplier.

N/A

K. Felony Conviction Notice: Indicate if the supplier

a. is a publicly held corporation and this reporting requirement is not applicable;

b. is not owned or operated by anyone who has been convicted of a felony; or

c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions.

L. Describe any debarment or suspension actions taken against supplier

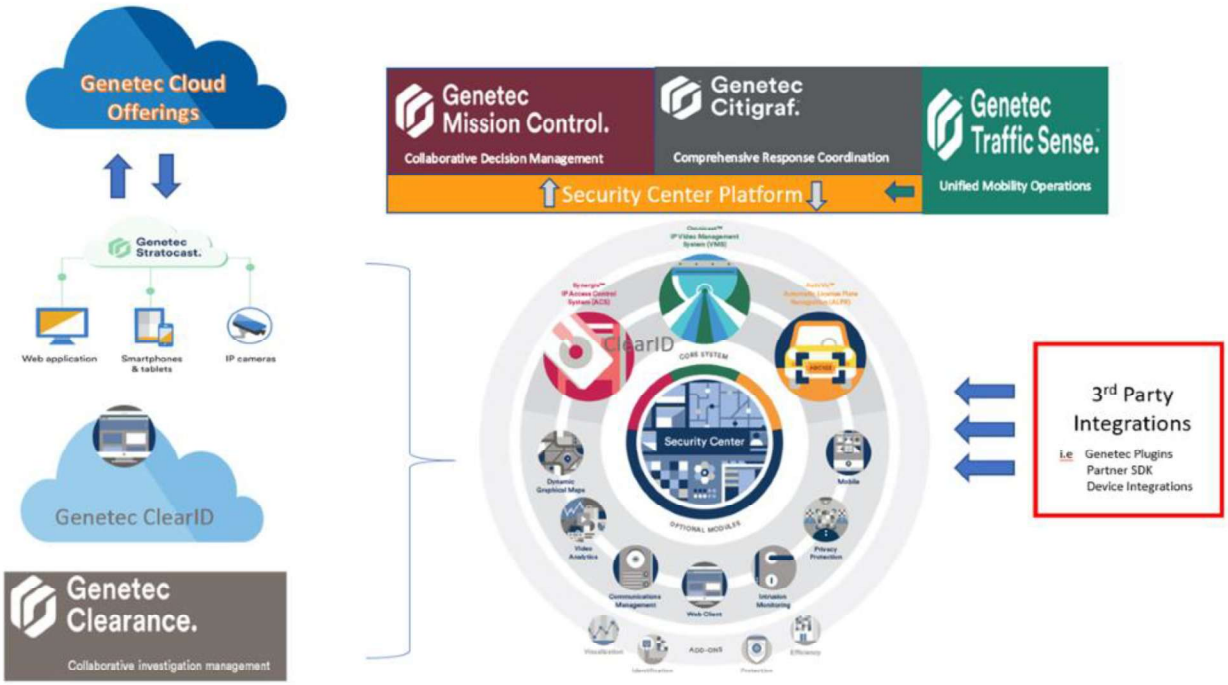
N/A

3.2 Distribution, Logistics

A. Each offeror awarded an item under this solicitation may offer their complete product and service offering/a balance of line. Describe the full line of products and services offered by supplier.

Genetec pioneered the first-ever IP video management software and has led the development of unified IP security solutions ever since. Our first product gave customers never-before-seen system flexibility, hardware freedom, and ease of system growth through a powerful easy-to-use open architecture solution. We continue to build and expand our solution platform to better support our customers' security and operations needs globally, within diverse market segments and complex network environments.

At Genetec, we build truly unified security systems that protect people and buildings. Unification is at the core of our development focus. This starts with Security Center, a truly unified platform that blends IP video surveillance (Omnicast), access control (Synergis), automatic license plate recognition (AutoVu), communications (Sipelia), and analytics (KiwiVision) within one intuitive solution. It also offers multiple interfaces or plugins that allow for integration with intrusion panels, other access control systems (Software House, Lenel), and various security sub-systems. Note that cybersecurity is built into the core of every Genetec solution, without regard to the size of the installation. All Genetec solutions are built with cybersecurity and privacy-by-design, so all participating agencies can keep their systems and data safe.



Security Center Unification

With the ability to unify third-party security and business systems with Security Center, customers can control all operations easily, while providing users with the

power to rapidly respond to emerging situations.

When a customer wants to expand their system, one of the most important factors is the ability to add new features and modules. With Genetec's unified solution, a wide range of capabilities are ready to be added to their system at any time. These are specifically designed by Genetec to complement their existing Security Center. For example, a collaborative decision management system, a collaborative digital evidence management system, a cloud-based video monitoring system, and a self-service Identity and Access Management platform. These systems can dramatically improve security and business operations for any organization.

Genetec Advantage, a comprehensive software maintenance package, progressively grows the value of the customer's security investment by including software upgrades, premium support, and system monitoring. This service provides top-of-the-line support to ensure that a security system operates at peak efficiency throughout its lifetime. This offering provides access to all software releases, access to advanced troubleshooting methods (including remote sessions and analyzing system logs), and responsive service levels, ensuring fast prioritized response times and our collaborative support model.

Genetec Professional Services includes everything from project management and deployment services to dedicated client care and support. Our team works alongside Channel Partners to optimize system performance and mitigate project risks so the customer can get the most from their security investments. The Professional Services team is available to site down with the custom to discuss their unique environment and goals. Working with the Channel Partner, our team will then identify and mitigate possible risks, and design and test the customer's solution before deployment.

Here is a list of many of our products and services as seen in a timeline of innovation:

- 2001: Omnicast
- 2002: The virtual matrix concept
- 2004: Advanced alarm management and redundancy
- 2005: Synergis access control system
- 2006: Federation
- 2009: Edge analytic support
- 2010: Video trickling and the unified security platform
- 2011: Genetec Mobile
- 2013: Stratocast cloud-based video monitoring system (VSaaS solution)
- 2014: Hybrid-cloud video services
- 2016: Subscription services
- 2016: Genetec Clearance digital evidence management solution
- 2017: Genetec Mission Control collaborative decision management system
- 2017: Genetec Citigraf decision support system

- 2018: Unified traffic operations platform
- 2019: Genetec ClearID physical access management system
- 2020: AutoVu SharpZ3 ALPR camera released
- 2020: Security Center for airports
- 2021: Virtual Experience Center
- 2021: Occupancy management solutions
- 2021: Genetec Industrial IoT and data ingestion
- 2022: Vehicle investigations
- 2022: Enclosure management
- 2022: Cloud-managed appliances
- 2023: Axis Powered by Genetec
- 2024: Security Center SaaS

B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas.

The National Public Sector Sales Team covers the entire continental United States, as well as Alaska and Hawaii. The team is divided geographically:

- West Region – 6 Account Executives – Washington, Oregon, California, Idaho, Montana, Wyoming, Nevada, Utah, Colorado, Arizona, and New Mexico.

- Central Region – 10 Account Executives – North Dakota, South Dakota, Minnesota, Iowa, Nebraska, Kansas, Missouri, Wisconsin, Illinois, Indiana, Kentucky, Michigan, Ohio, Oklahoma, Arkansas, Texas, and Louisiana.

- East Region – 10 Account Executives – Maine, Vermont, New Hampshire, Massachusetts, Connecticut, Rhode Island, New York, Pennsylvania, New Jersey, Delaware, Maryland, West Virginia, Virginia, Tennessee, North Carolina, South Carolina, Georgia, Alabama, Mississippi, and Florida, which comprise the East Region.

Each of the three Public Sector Regional Sales Teams support Armed Services, Corrections, Customs and Border Control, Education (Higher and Lower), Intelligence and National Security, National Public Administration, State and Local Justice and Public Safety, State and Local Public Administration, State and Local Utilities, Transport (Airports, Interurban Highways, Interurban Rail, Ports, and Urban Mobility), Treasury and Central Banks, and Venues.

The Public Sector Team also has Account Executives who support specific targeted markets: Airports, Cities, Federal Agencies, Mobility (Transit Agencies), Parking, Strategic Partnerships, and Traffic.

Genetec serves our customers through a network of over 2,200 certified

Channel Partners and Consultants. We rely on our network of Channel Partners—resellers of Genetec solutions—to provide local installation and support for Genetec software, the IT infrastructure surrounding our software, and the various security devices linked to our systems as well.

Channel Partners act as our force multipliers in the marketplace, expanding our commercial reach. Their knowledge, expertise, advocacy, and loyalty enable us to deliver innovative solutions to customers across the United States.

C. Describe how Participating Agencies are ensured they will receive the Master Agreement pricing; include all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement.

Participating Agencies can access the OMNIA Partners Master Agreement price list on the Genetec contracts website and compare the quote they were given to the NTE pricing listed. All sales are made through the Channel Partners (resellers) added to the Genetec Master Agreement.

D. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user.

Resellers (Channel Partners). Initially, we expect to add the following to our Master Agreement:

Acom	CDW	CompuNet
Convergint	Cornerstone Detention Products	EyeP
IK Systems	Johnson Controls (JCI)	Minutemen
Moss	NextGen	NextGen Security
People Drive	Preferred Technologies, Inc.	Prime Communications
RL Controls	Skyline Technology	SW24

E. Provide the number, size and location of Supplier's distribution facilities, warehouses and retail network as applicable.

Genetec has a global supply chain, with trusted partners (suppliers) located all around the world. Genetec currently has a network of seven (7) warehouses worldwide: one (1) each in the United States, United Kingdom, India, France, and Australia, and two (2) in Canada.

3.3 Marketing and Sales

A. Given the public nature of the solicitation and contract, OMNIA Partners makes solicitation and contract documentation, including pricing documents, available on its website so Participating Public Agencies may easily conduct their due diligence. Describe any portions of the response that should not be available on the website and why those portions should not be available.

Bid Attributes: Question 76 and 3.3 K. of this Exhibit A:
“State the amount of Supplier’s Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.”

Genetec is a privately held company, and our customer information is proprietary and considered part of our intellectual capital. We have cultivated these relationships over a long period of time. The individuals we work with—and their contact information—is not readily available to others who do not have these relationships. It would be unfair to us for this information to be released and made available to our competitors. We are providing it in good faith that it will be used to evaluate our proposal and then protected.

B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier’s primary go to market strategy for Public Agencies to supplier’s teams nationwide, to include, but not limited to:

   i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days

   ii. Training and education of Supplier’s national sales force with participation from the Supplier’s executive leadership, along with the OMNIA Partners team within first 90 days

Genetec’s leadership team is securely behind the growth and strategy of this program nationwide. We understand launch implementation plays a pivotal role in the overall success of any national cooperative contract. Upon award of the OMNIA Partners contract, our sales team leadership will evangelize this agreement as a preferred contract vehicle for the purchase of Genetec security solutions. Within 10 days of contract award, the National Public Sector Sales Director will make a sales-specific announcement of the award, detailing contract benefits and naming those Channel Partners across the country initially added to the contract.

From our executive leadership to contract management, our public sector sales team will collaborate to launch and grow this contract.

Within 30 days, our National Public Sector Sales Director and Contracts Office Program Manager will meet with the OMNIA Partners Member Development Team for an initial kickoff call to discuss timelines and expectations.

Genetec will bring together our sales leadership, strategic account executives, marketing team, and contract manager with OMNIA Partners multiple times a year to review contract initiatives, joint goals, and customer feedback. Our ongoing effort in specific target accounts will help drive contract adoption among new users. A required training will be conducted by our Contracts Office for all public sector account executives and Channel Partners assigned as resellers to the OMNIA Partners contract to ensure clear understanding of the service levels, reporting, and related information. Training will cover the scope of the contract, contract operations, Genetec-OMNIA Partners contract growth strategy (endorsed by Genetec executive leadership), and contract benefits. Training will equip our public sector sales team—Genetec account executives Channel Partner resellers—to communicate with customers. Genetec will complete curriculum development, trainings, and creation of collateral within 90 days of contract award.

C. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:

i. Creation and distribution of a co-branded press release to trade publications

ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days

iii. Design, publication and distribution of co-branded marketing materials within first 90 days

iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement

v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.

vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement

vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)

viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:

- OMNIA Partners standard logo;
- Copy of original Request for Proposal;
- Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier;
- Summary of Products and pricing;
- Marketing Materials
- Electronic link to OMNIA Partners' website including the online registration page;
- A dedicated toll-free number and email address for OMNIA Partners

Our marketing team understands how to reach our end users and will use the appropriate trade publications, customer-facing collateral, custom flyers, email campaigns, social media, etc., to evangelize the Master Agreement. And we will identify priority trade shows, conferences, and meetings to attend and participate in throughout the term of the Agreement to help meet its growth potential.

Upon award, Genetec intends to hold a collaborative kickoff meeting dedicated

to developing our go-to-market strategy, including the development and distribution of co-branded marketing materials within the first 90 days.

Within 30 days of contract launch, the Genetec contract, sales, and marketing teams will work with OMNIA Partners marketing and membership development teams to discuss and plan activities to promote the new contract. This will include the creation of a co-branded press release announcing the award of the Master Agreement, with endorsement by Genetec executive leadership and distribution to appropriate trade publications to generate awareness of this contract venue for Genetec solutions. Award messaging also will be shared through internal communication channels. External messaging will continue as necessary to promote the Master Agreement, including distribution to national and regional trade publications, throughout the term of the award.

Genetec will work with OMNIA Partners during the first 90 days to develop content for co-marketing material (e.g., customer-facing email and digital and print flyers, presentation resources, announcements, advertisements). The Genetec and OMNIA teams will meet to review collateral and discuss any planned marketing outreach and targeted campaigns. Content will focus on the administrative and strategic value of using the OMNIA Partners Master Agreement and highlight the cost and time savings associated with leveraging such an agreement. Possible outlets include internal Genetec corporate communications and Channel marketing; direct email marketing to current Genetec customers and OMNIA membership; attendance at trade shows, conferences, and meetings; and social media (e.g., LinkedIn). We use our active social media to help customers stay informed with links, posts, and articles of interest. Genetec also regularly produces content on industry news, emerging technologies, and product launches. Our marketing efforts and collaboration with the OMNIA Partners team will continue throughout the term of the agreement.

Within 90 days of award, we will finalize all collateral and create a timeline for distributing the marketing collateral to relevant Genetec customers as well as to registered members of OMNIA Partners.

Genetec's Contracts Office Program Manager already attends the NIGP Annual Forum. With award of this contract, attendance will expand to additional team members, as needed, to assist with marketing the OMNIA Partners Agreement and to staff an exhibit space in the OMNIA Partners designated area in the NIGP Exhibit Hall. Genetec will participate in the overall promotion and marketing efforts for the NIGP Annual Forum as instructed by OMNIA Partners. Genetec also commits to participating in other national, regional, and supplier-specific trade shows, conferences, and meetings throughout the term of the Master Agreement.

Genetec will create a dedicated landing page (OMNIA Partners' microsite) on Genetec's public-facing website, featuring both Genetec and OMNIA Partners' standard logos, to highlight the OMNIA Partners Master Agreement award details, including the original Request for Proposal (RFP), a copy of the Master Agreement and amendments to same, a copy of Genetec's contract price list highlighting all products as well as pricing details, a list of resellers (Channel Partners) with contact information, marketing collateral, a link to the OMNIA Partners' website - including the online registration page - and a dedicated toll-free number and email address for OMNIA Partners.

D. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners.

Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.

Genetec understands that effective communication to our sales team regarding the awarded OMNIA Partners contract is crucial to our success as an OMNIA Partners contract holder. Our SLED Contracts Team will take the lead on introducing the OMNIA contract to Genetec Sales Account Executives responsible for sales to the SLED market. This team will also introduce the contract to Channel Account Executives responsible for recruiting and supporting resellers who serve this market. Upon contract award, our SLED Contracts Team will use the following methods to introduce the OMNIA Partners contract to our company, Channel Partners, and end-user customers: Microsoft Teams calls; training webinars; training materials; ongoing contract use monitoring; and ongoing contract promotion. We will continue outreach to customers to educate them on the value proposition of this contract.

Genetec currently holds three national cooperative contracts:

- PEPPM (Kern County, CA)
- TIPS #230105 Technology Solutions, Products, and Services
- TIPS #230202 Security Systems, Products, and Services

The Public Sector Sales Team will offer the OMNIA Partners Master Agreement as its first choice to end users procuring Genetec solutions.

E. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.

Genetec acknowledges both of these terms.

F. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:

i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
ii. Best government pricing
iii. No cost to participate
iv. Non-exclusive

Genetec DOES NOT sell direct to end users; however, we confirm we will be proactive in aggressively marketing the contract across the country. Genetec Account Executives and Channel Partners will follow up on all leads established by OMNIA Partners, stressing the Master Agreement was competitively awarded, offers best government pricing, offers no-cost participation, and is non-exclusive. We will ensure all sales materials use the OMNIA Partners logo.

G. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:

i. Key features of Master Agreement

ii. Working knowledge of the solicitation process

iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners

iv. Knowledge of benefits of the use of cooperative contracts

Genetec confirms it will train its national sales force, including vendor account executives and resellers, on the key features of the Master Agreement, and ensure they have a working knowledge of the solicitation process, the Public Agencies eligible to use the Master Agreement, and are knowledgeable about the benefits of using cooperative contracts.

H. Provide the name, title, email and phone number for the person(s), who will be responsible for:

i. Executive Support
Rick Taylor, National Director of Public Sector Sales, rtaylor@genetec.com, (815) 530-9392

ii. Marketing
Lora Wilson, Director, North America Marketing, lowilson@genetec.com, (978) 987-5052

iii. Sales
Rick Taylor, National Director of Public Sector Sales, rtaylor@genetec.com, (815) 530-9392

iv. Sales Support
Jeanne Smith, Program Manager, Grants and Contracts Office, jsmith@genetec.com, (214) 789-2217

v. Financial Reporting
Melanie Bialas, Senior Manager, Credit and Customer Service, mbialas@genetec.com, (514) 669-1041

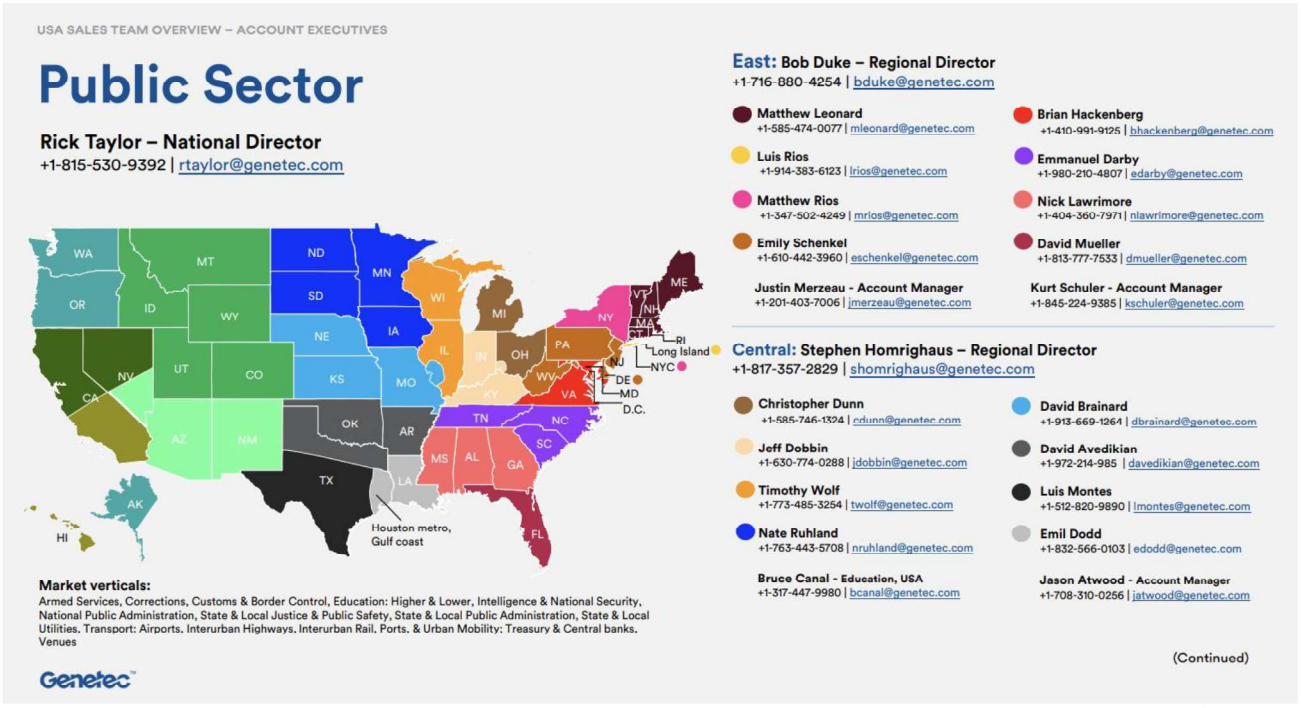
vi. Accounts Payable
Melanie Bialas, Senior Manager, Credit and Customer Service, mbialas@genetec.com, (514) 669-1041

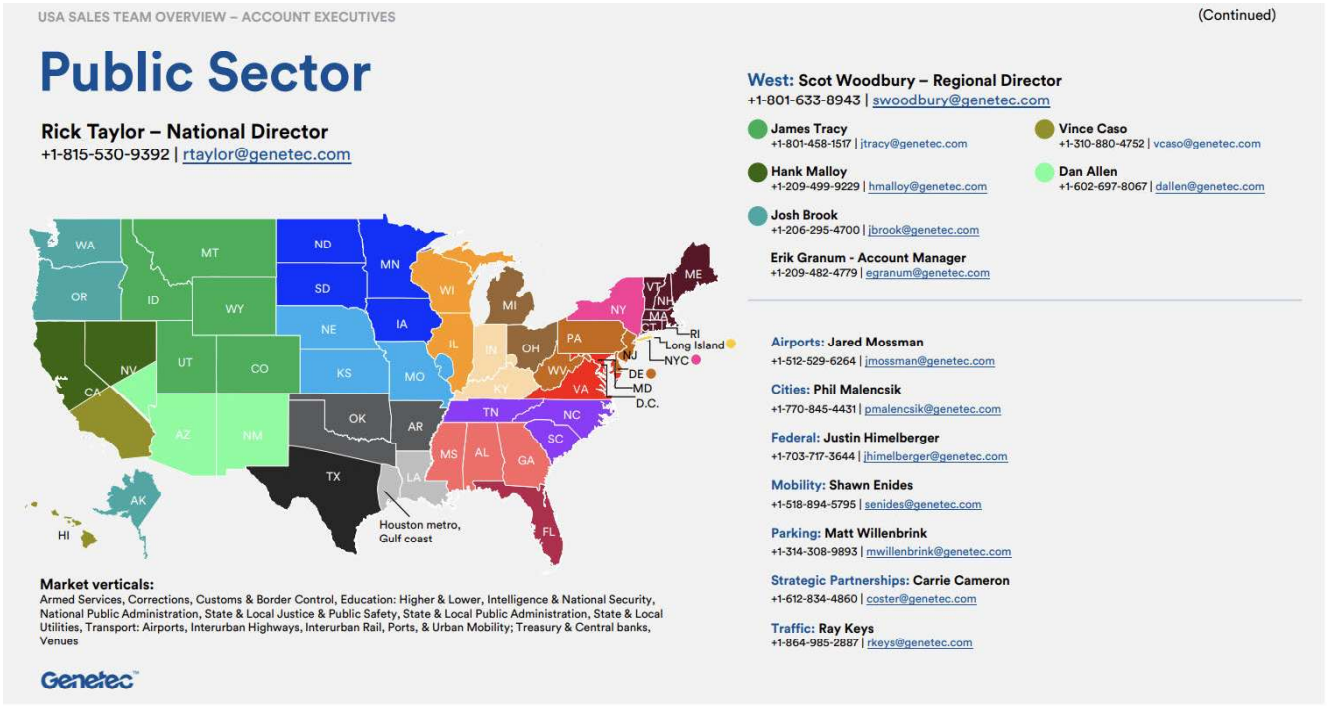
vii. Contracts
Jeanne Smith, Program Manager, Grants and Contracts Office, jsmith@genetec.com, (214) 789-2217

I. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.

Genetec's Public Sector Salesforce is led by Rick Taylor, National Director of Public Sector Sales. Rick can be reached at rtaylor@genetec.com or (815) 530-9392.

The Public Sector Sales Team is managed geographically.





The West Region is under the leadership of West Region Director Scot Woodbury. His team of six Account Executives support the following States: Washington, Oregon, California, Idaho, Montana, Wyoming, Nevada, Utah, Colorado, Arizona, and New Mexico.

The Central Region, comprised of North Dakota, South Dakota, Minnesota, Iowa, Nebraska, Kansas, Missouri, Wisconsin, Illinois, Indiana, Kentucky, Michigan, Ohio, Oklahoma, Arkansas, Texas, and Louisiana is supported by 10 Account Executives, who report to Stephen Homrighaus, Central Region Director.

The East Region—Maine, Vermont, New Hampshire, Massachusetts, Connecticut, Rhode Island, New York, Pennsylvania, New Jersey, Delaware, Maryland, West Virginia, Virginia, Tennessee, North Carolina, South Carolina, Georgia, Alabama, Mississippi, and Florida—is led by East Region Director Bob Duke and supported by his team of 10 Account Executives.

Each of the three Public Sector Regional Sales Teams support the following industry markets: Armed Services, Corrections, Customs and Border Control, Education (Higher and Lower), Intelligence and National Security, National Public Administration, State and Local Justice and Public Safety, State and Local Public Administration, State and Local Utilities, Transport (Airports, Interurban Highways, Interurban Rail, Ports, and Urban Mobility), Treasury and Central Banks, and Venues.

The Public Sector Team also has Account Executives who support the following targeted markets: Airports, Cities, Federal Agencies, Mobility (Transit Agencies), Parking, Strategic Partnerships, and Traffic. These Account Executives report directly to the National Director of Public Sector Sales.

In addition to the Sales Leadership and Account Executives, the Public Sector Sales Team includes: field sales engineers—10 each in the West and Central regions, 7 in the Northeast, and 9 in the Southeast; inside sales engineers—2 each in the West, Central, and East regions; and 8 Channel Account Executives who directly support Genetec's Channel Partners—4 in the West Region, and 2 each in the Central and East Regions.

I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.

Genetec Channel Partners—the resellers on our contract—are likely to be the Participating Agencies' first point of contact. Therefore, it is critical our resellers understand the scope and benefits of the OMNIA Partners contract. In conjunction with the contract trainings offered to our Genetec Public Sector Sales team, our Contracts Management team will instruct our Channel Partners on how to use the OMNIA contract, the agencies eligible to purchase from the contract, and the policies and procedures that must be followed to ensure compliance with the contract so they are prepared to support OMNIA members through the entire sales cycle—from project inception to purchase to solution deployment to post-sales support. Our Public Sector and Channel Sales teams will help to drive increased adoption and contract growth. Our customers are seeking a unified security platform, including weapons detection. Our extended sales team—Public Sector Account Executives and Channel Partner resellers—will be prepared to guide and educate end users on this new procurement option. Through our extended team, Genetec will market the OMNIA Partners contract to our customers, including its benefits, product categories, administrative fee structure, and flexibility. In addition, Genetec's Public Sector Sales team/Sales leadership, Contracts Management team, and Marketing team will engage with OMNIA Regional Managers and leaders in Partner Development and Strategic Accounts to review the state of our joint business, develop growth goals and strategies, and execute on these to drive business to the OMNIA Partners contract.

J. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing

and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.

Our Contracts Management Team will meet on a regular cadence (weekly, monthly, quarterly) with our Marketing and Public Sector Sales Teams to nurture and advance adoption of the OMNIA Partners contract with new and existing customers. Together, these teams will develop and execute targeted marketing and sales strategies, focusing on the myriad verticals Genetec has a close relationship with that can benefit from using this contract, including public safety, State and local government, higher and lower education, transportation, and utilities. Our teams will attend Local, State, Regional, and National Cooperative shows to build and promote brand and contract awareness. Genetec has an established program of Consultant Partners, whom we will engage at shows and to set up meetings as needed for introductions to State and local government agencies and to assist in nurturing and developing relationships as we build our OMNIA portfolio of accounts. Our Contracts Manager will be hands-on throughout all steps of the process, and from contract initiation to closure, to ensure engagement, continual growth, compliance, and accurate reporting.

K. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.

THE FOLLOWING IS CONFIDENTIAL INFORMATION THAT SHOULD NOT BE SHARED OUTSIDE THIS RFP PROCESS.

[redacted]

L. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

Genetec sells through its resellers. This question is only pertinent to Genetec concerning our Accounts Payable system. This system is more than capable of tracking receipt of administrative fees from resellers and making those payments to OMNIA Partners on the schedule required.

M. Provide the Contract Sales (as defined in Section 12 of the OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

$500,000.00 in year one
$500,000.00 in year two
$500,000.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).

CONFIRM – Genetec will use the Master Agreement pricing for covered products and report the sale to OMNIA Partners.

ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.

CONFIRM – Genetec will use the Master Agreement for products available under the Master Agreement, offering a deeper discount and reporting the sale to OMNIA Partners as a contract sale.

iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).

CONFIRM – Genetec will stress the benefits of the Master Agreement and try to convince the Public Agency to purchase from the Master Agreement as we are not interested in selling at higher prices off contracts. Only as a last resort will we sell at a higher price off contract.

iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

CONFIRM – Genetec will stress the benefits of the Master Agreement and try to convince the Public Agency to purchase from the Master Agreement. If we are unsuccessful in those attempts and are allowed to put in multiple bids, we will consider putting in

two proposals—MSRP pricing and Master Agreement discounted pricing in an effort to sway the Public Agency to use the Master Agreement.

Detail Supplier's strategies under these options when responding to a solicitation.

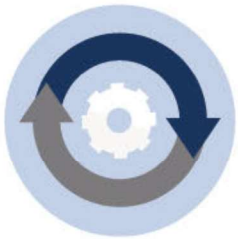
Answers above under subsections i. – iv. (above).

Genetec Advantage

A comprehensive maintenance package that includes software upgrades, premium support, and system monitoring.

Increase the value of your security investment with automatic software upgrades so that your system always has the latest release. Get new system capabilities like improved performance and usability, security updates, and expanded third-party integrations.

Focus your attention on your security operations rather than on the systems supporting it. With the System Availability Monitor, our integrators will keep a close watch on your system for you to quickly identify potential issues and resolve them.



Software upgrades

Protect your investment by extending the longevity of your system with each new software release. Benefits from software upgrades to both minor and major releases include:

- **Cutting edge features that leverage the latest evolutions in security systems technology and can enable new use cases, provide new insights, and decrease operational costs**
- **Usability improvements that help system administrators be more efficient in configuring and using the software**
- **Performance improvements so that you can get the most out of hardware investments**
- **Security improvements to make sure your system stays compliant with evolving security requirements and follow security best practices**
- **New third-party integrations to increase your security ecosystem**

Premium support

Give your system integrator the edge with live assistance to Genetec™ Technical Support:

- **Get phone and chat support during business hours**
- **Prioritized support requests for faster response times**
- **Access to our collaborative support model where interactive transfers are completed from front-line technicians to product support specialists to streamline the case's resolution**
- **Faster resolutions for complex issues with in-depth troubleshooting from our advanced product experts**
- **Multiple support languages are available**
- **Immediate access to available hotfixes**
- **Open an unlimited number of cases, which are tracked through the Genetec portal**

With Genetec Advantage, you'll have access to optional services to fit your needs:

- **Access to round-the-clock support with the 24/7 option**
- **Access to a dedicated engineer, part-time or full-time, with the dedicated support option**
- **Access to Genetec Professional Services for customized knowledge-based services for our clients**

System Availability Monitor

With Genetec Advantage, your system integrator can access the Genetec System Availability Monitor anytime through our intuitive web-based interface:

Remotely monitor your system with real-time statistics on system uptime, mean-time-to-recovery, and downtime

Identify potential issues by inspecting raised alarms, and take action before they come to life

Self-service training and learning tools

Empower your operators by giving them access to the latest system knowledge, tools, and training.

Get access to the Advantage Learning Portal that provides basic operator training courses for Security Desk, helping you automate operator onboarding and training.

Get basic assistance for quick questions pertaining to Security Desk with the Operator Chat Assistance. This chat does not require any certification and will provide direct access to the Genetec support team.

Obtain a voucher for complete end user certification training, allowing a power user or IT Admin to receive training and be certified to access Genetec support by phone, chat, and GTAP.

Genetec Professional Services

Security backed by experts

Our team of professionals offer remote and on-site services that can be tailored for all types of projects from straightforward to highly complex. By working with our certified channel partners, we help optimize system performance, mitigate project risks, and ensure the successful delivery of any project. Whether you're handling a mission-critical security upgrade or need some guidance on cybersecurity best practices, we're here to help. We work alongside your team to help build and maintain a security system that you can grow with and rely on for years to come.

Genetec™

Project planning and deployment services

Our project managers, solutions architects, and field engineers complement a channel partner's skills. They provide added assurance that risks are identified and dealt with before they become costly problems.

Before your project gets underway, our experts will help you coordinate logistics, create a comprehensive system design, build out a technical framework, test the design, and optimize the solution to function at peak performance.

No matter what comes up, know that your project will be completed on time and on budget, allowing you and your team to get back to what you do best— keeping people and assets safe.

What you can expect

- In-house liaison and logistics coordination
- Scope of work review and optimization
- Identification and mitigation of potential risks
- Solution design and infrastructure review
- Scripting and automation of deployment tools
- Post-completion system assessment report

How we can help

New system deployments

Let our team create a comprehensive system design to ensure full compatibility with your existing infrastructure. Through advanced scripting, we're able to reduce the typical timelines involved in complex deployments, while mitigating all risks through in-lab testing and commissioning. A full system assessment report is then shared as the project is finalized, and our team will monitor any support issues that may arise as the new system moves online.

Upgrade planning and execution

By understanding and mapping out your current infrastructure, our experts can identify potential issues ahead of time, minimizing the amount of downtime typically linked with complex system upgrades. Through advanced services such as in-house testing and scripting, our team ensures that upgrades go smoothly, making it easier for customers to follow industry best practices and be on the latest release of Security Center.

Access control migrations

As customers move away from outdated, legacy access control systems, our experts have created a work plan to help with these traditionally time-consuming and risky migrations. After documenting the current landscape, our team uses proprietary tools and automation to help convert legacy data, reducing the time needed for these complex projects. Once Synergis has been implemented, a detailed system assessment report is shared while working with your team to ensure the successful transition to the new system.

Continuous engagement services

Although some projects have a clear start and end date, other types of services require a continuous level of engagement between us and our customers. When looking for a single point of contact who will become a trusted advisor and ally, Genetec offers recurring services that can help you achieve your long-term objectives while minimizing the impact on your organization and resources.

Whether your focus is on design and deployment, day-to-day operations, technical support, and maintenance, or simply having a centralized and dedicated point of contact within our ecosystem, we have the right resource for you. With engagements ranging from a few hours per week to a dedicated full-time resource, our experts will be by your side for the entire lifecycle of your Genetec journey, preparing and helping you every step of the way.

What you can expect

- Day-to-day system optimization and analysis
- Single point of contact dedicated to your account
- Tailored support and maintenance
- Best practices and upgrade planning
- Proactive health monitoring of Genetec roles
- Recurring engagements with your specialist

How we can help

Technical Account Management

A Genetec Technical Account Manager (TAM) bridges the gap between Genetec and your evolving business requirements, as they bring expertise and operational recommendations by embedding themselves within your environment. From daily operations to lifecycle management, your TAM ensures you get the most out of your investment in Genetec solutions. With various levels of engagements and services offered either remotely or on-site, our TAM team becomes a force multiplier to help you achieve your objectives.

Dedicated Client Care

Our Dedicated Client Care team provides a personalized approach to technical support and system maintenance. Your dedicated Genetec specialist knows the ins and outs of your unique environment and will regularly monitor your system's health and various components while responding to any issue that may arise. They will also take a holistic approach to the various issues over time and share preventative measures and best practices to keep your system at peak efficiency, and help you grow and maintain your Genetec environment over time.

Project Management

Our project managers bring a fresh perspective to your project and become your central point of contact within Genetec, bridging the gap between the various internal and external stakeholders. The project manager helps reduce costs and risks while ensuring constant communication with the certified channel partner while creating a tailored project plan to ensure the successful execution of your project.

Partnering with you for long-term success

No matter the stage of your security deployment, or the objectives you have lined up, our team of professionals are here to help. We offer in-house knowledge and support through the evolution of a Genetec system. This allows channel partners and customers to better mitigate risks, optimize system reliability and performance, and achieve higher levels of success well into the future.

Texas Government Code 2270 Verification Form

House Bill 89 (85R Legislative Session), which adds Chapter 2270 to the Texas Government Code, provides that a governmental entity may not enter into a contract with a company without verification that the contracting vendor does not and will not boycott Israel during the term of the contract.

Furthermore, Senate Bill 252 (85R Legislative Session), which amends Chapter 2252 of the Texas Government Code to add Subchapter F, prohibits contracting with a company engaged in business with Iran, Sudan or a foreign terrorist organization identified on a list prepared by the Texas Comptroller.

I, François Touchette, as an authorized representative of

Genetec, Inc. a contractor engaged by
Insert Name of Company

Region 4 Education Service Center, 7145 West Tidwell Road, Houston, TX 77092, verify by this writing that the above-named company affirms that it (1) does not boycott Israel; and (2) will not boycott Israel during the term of this contract, or any contract with the above-named Texas governmental entity in the future.

Also, our company is not listed on and we do not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations found at https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf.

I further affirm that if our company's position on this issue is reversed and this affirmation is no longer valid, that the above-named Texas governmental entity will be notified in writing within one (1) business day and we understand that our company's failure to affirm and comply with the requirements of Texas Government Code 2270 et seq. shall be grounds for immediate contract termination without penalty to the above-named Texas governmental entity.

I swear and affirm that the above is true and correct.

SAMPLE CORE LIST FOR PARTICIPATING PUBLIC AGENCIES

1. Security Center 5.12
2. Synergis (access control)
3. Omnicast (video surveillance)
4. Clearance (manage video evidence)
5. Mission Control (guide and automate incident response)
6. Sipelia (communications management)
7. Clear ID (facilitate physical access management)
8. Citigraf (bring situational awareness to public safety)
9. Genetec Advantage (subscription access to expert guidance, support tools, and the latest product enhancements)
10. Professional Services (ncludes everything from project management and deployment services to dedicated client care and support)
11. Genetec SDK Connections (some feature examples):
    a. Weapons Detection
    b. Alarm Monitoring
    c. Facial Recognition
    d. Monitoring and Touch Detection
    e. Video Analytics
    f. Panic Button
    g. Threat Detection
    h. Smart Card Management
    i. Evidence Retention
    j. Federated System

Exhibit F
Federal Funds Certifications

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non–Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non–Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non–Federal entity that, consistent with 31 U.S.C. 6302–6305:

(a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non–Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;

(b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non–Federal entity in carrying out the activity contemplated by the Federal award.

(c) The term does not include:

(1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or

(2) An agreement that provides only:

(i) Direct United States Government cash assistance to an individual;

(ii) A subsidy;

(iii) A loan;

(iv) A loan guarantee; or

(v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non–Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

(a)(1) The Federal financial assistance that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or

(2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non–Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.

(b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).

(d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

Non–Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
(b) Is not organized primarily for profit; and
(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non–Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non–Federal entity during the same or a future period.

Pass-through entity means a non–Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non–Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non–Federal entity may purchase property or services using small purchase methods. Non–Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is $250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non–Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Per FAR 52.204-24 and FAR 52.204-25, solicitations and resultant contracts shall contain the following provisions.

52.204-24 Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment (Oct 2020)

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it "does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument" in paragraph (c)(1) in the provision at 52.204-26, Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(i) of the provision at 52.212-3, Offeror Representations and Certifications-Commercial Items. The Offeror shall not complete the representation in paragraph (d)(2) of this provision if the Offeror has represented that it "does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services" in paragraph (c)(2) of the provision at 52.204-26, or in paragraph (v)(2)(ii) of the provision at 52.212-3.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

(a) *Definitions.* As used in this provision—

Backhaul, covered telecommunications equipment or services, critical technology, interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) *Prohibition*.

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) *Procedures.* The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (https://www.sam.gov) for entities excluded from receiving federal awards for "covered telecommunications equipment or services".

(d) *Representation.* The Offeror represents that—

(1) It □ will, □ will not provide covered telecommunications equipment or services to the Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation. The Offeror shall provide the additional disclosure information required at paragraph (e)(1) of this section if the Offeror responds "will" in paragraph (d)(1) of this section; and

(2) After conducting a reasonable inquiry, for purposes of this representation, the Offeror represents that—

It □ does, □ does not use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services. The Offeror shall provide the additional disclosure information required at paragraph (e)(2) of this section if the Offeror responds "does" in paragraph (d)(2) of this section.

(e) *Disclosures.*

(1) Disclosure for the representation in paragraph (d)(1) of this provision. If the Offeror has responded "will" in the representation in paragraph (d)(1) of this provision, the Offeror shall provide the following information as part of the offer.

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the original equipment manufacturer (OEM) or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

(B) If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(2) Disclosure for the representation in paragraph (d)(2) of this provision. If the Offeror has responded "does" in the representation in paragraph (d)(2) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the PSC of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

52.204-25 Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment (Aug 2020).

(a) *Definitions.* As used in this clause—

Backhaul means intermediate links between the core network, or backbone network, and the small subnetworks at the edge of the network (*e.g.*, connecting cell phones/towers to the core telephone network). Backhaul can be wireless (e.g., microwave) or wired (*e.g.*, fiber optic, coaxial cable, Ethernet).

Covered foreign country means The People's Republic of China.

Covered telecommunications equipment or services means–

(1) Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);

(2) For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);

(3) Telecommunications or video surveillance services provided by such entities or using such equipment; or

(4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Critical technology means–

(1) Defense articles or defense services included on the United States Munitions List set forth in the International Traffic in Arms Regulations under subchapter M of chapter I of title 22, Code of Federal Regulations;

(2) Items included on the Commerce Control List set forth in Supplement No. 1 to part 774 of the Export Administration Regulations under subchapter C of chapter VII of title 15, Code of Federal Regulations, and controlled-

(i) Pursuant to multilateral regimes, including for reasons relating to national security, chemical and biological weapons proliferation, nuclear nonproliferation, or missile technology; or

(ii) For reasons relating to regional stability or surreptitious listening;

(3) Specially designed and prepared nuclear equipment, parts and components, materials, software, and technology covered by part 810 of title 10, Code of Federal Regulations (relating to assistance to foreign atomic energy activities);

(4) Nuclear facilities, equipment, and material covered by part 110 of title 10, Code of Federal Regulations (relating to export and import of nuclear equipment and material);

(5) Select agents and toxins covered by part 331 of title 7, Code of Federal Regulations, part 121 of title 9 of such Code, or part 73 of title 42 of such Code; or

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

(6) Emerging and foundational technologies controlled pursuant to section 1758 of the Export Control Reform Act of 2018 (50 U.S.C. 4817).

Interconnection arrangements means arrangements governing the physical connection of two or more networks to allow the use of another's network to hand off traffic where it is ultimately delivered (*e.g.*, connection of a customer of telephone provider A to a customer of telephone company B) or sharing data and other information resources.

Reasonable inquiry means an inquiry designed to uncover any information in the entity's possession about the identity of the producer or provider of covered telecommunications equipment or services used by the entity that excludes the need to include an internal or third-party audit.

Roaming means cellular communications services (*e.g.*, voice, video, data) received from a visited network when unable to connect to the facilities of the home network either because signal coverage is too weak or because traffic is too high.

Substantial or essential component means any component necessary for the proper function or performance of a piece of equipment, system, or service.

(b) *Prohibition*.

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. The Contractor is prohibited from providing to the Government any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless an exception at paragraph (c) of this clause applies or the covered telecommunication equipment or services are covered by a waiver described in FAR 4.2104.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract, or extending or renewing a contract, with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless an exception at paragraph (c) of this clause applies or the covered telecommunication equipment or services are covered by a waiver described in FAR 4.2104. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract.

(c) *Exceptions.* This clause does not prohibit contractors from providing—

(1) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(2) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(d) Reporting requirement.

(1) In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph (d)(2) of this clause to the Contracting Officer, unless elsewhere in this contract are established procedures for reporting the information; in the case of the Department of Defense, the Contractor shall report to the website at https://dibnet.dod.mil. For indefinite delivery contracts, the Contractor shall report to the Contracting Officer for the indefinite delivery contract and the Contracting Officer(s) for any affected order or, in the case of the Department of Defense, identify both the indefinite delivery contract and any affected orders in the report provided at https://dibnet.dod.mil.

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause

(i) Within one business day from the date of such identification or notification: the contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

(ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

(e) *Subcontracts.* The Contractor shall insert the substance of this clause, including this paragraph (e) and excluding paragraph (b)(2), in all subcontracts and other contractual instruments, including subcontracts for the acquisition of commercial items.

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES FT Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES FT Initials of Authorized Representative of offeror

(C) **Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."**

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES FT Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non
- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? YES FT Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? YES FT Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

In the event Federal Transit Administration (FTA) or Department of Transportation (DOT) funding is used by Participating Public Agency, Offeror also agrees to include Clean Air and Clean Water requirements in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FTA.

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency, the offeror will notify the Participating Agency.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(3) The prospective participant also agrees by submitting his or her bid or proposal that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed $100,000 and that all such subrecipients shall certify and disclose accordingly.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition. Additionally:

(1) The Contractor agrees to comply with 49 USC 5323(j) and 49 CFR Part 661, which provide that federal funds may not be obligated unless steel, iron and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7.A general public interest waiver from the Buy America requirements applies to microprocessors, computers, microcomputers, software or other such devices, which are used solely for the purpose of processing or storing data. This general waiver does not extend to a product or device that merely contains a microprocessor or microcomputer and is not used solely for the purpose of processing or storing data. Separate requirements for rolling stock are set out at 5323(j)(2)(C) and 49 CFR 661.11.

(2) A bidder or offeror must submit to the FTA recipient the appropriate Buy America certification with all bids on FTA-funded contracts, except those subject to a general waiver. Bids or offers that are not accompanied by a completed Buy America certification must be rejected as nonresponsive. This requirement does not apply to lower tier subcontractors.

The following certificates titled FTA and DOT Buy America Certification should be completed and returned with the response as part of FTA and DOT requirements.

FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS

Awarded Supplier(s) (also referred to as Contractors) may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Supplier is accepted these FEMA and Additional Federal Funding Special Conditions required by the Federal Emergency Management Agency (FEMA) and other federal entities.

“Contract” in the below pages under FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS is also referred to and defined as the “Master Agreement”.

“Contractor” in the below pages under FEMA AND ADDITIONAL FEDERAL FUNDING SPECIAL CONDITIONS is also referred to and defined as “Supplier” or “Awarded Supplier”.

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3. i. FEMA considers a “financial interest” to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an “apparent” conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of the Participating Public Agency nor the Participating Public Agency (“NFE”) must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE’s may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE’s written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE’s employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Contractor Integrity

A contractor must have a satisfactory record of integrity and business ethics. Contractors that are debarred or suspended, as described in and subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security’s regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension), must be rejected and cannot receive contract awards at any level.

Notice of Legal Matters Affecting the Federal Government

In the event FTA or DOT funding is used by Participating Public Agency, Contractor agrees to:

1) The Contractor agrees that if a current or prospective legal matter that may affect the Federal Government emerges, the Contractor shall promptly notify the Participating Public Agency of the legal matter in accordance with 2 C.F.R. §§ 180.220 and 1200.220.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

2) The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.

3) The Contractor further agrees to include the above clause in each subcontract, at every tier, financed in whole or in part with Federal assistance provided by the FTA.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:
a. Equal opportunity and nondiscrimination laws
b. Five affirmative steps described at 2 C.F.R. § 200.321(b) for all subcontracting under contracts supported by FEMA financial assistance; and FEMA Procurement Guidance June 21, 2016 Page IV- 7
c. Applicable prevailing wage laws, regulations, and executive orders

Affirmative Steps

For any subcontracting opportunities, Contractor must take the following Affirmative steps:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

Prevailing Wage Requirements

When applicable, the awarded Contractor (s) and any and all subcontractor(s) agree to comply with all laws regarding prevailing wage rates including the Davis-Bacon Act, applicable to this solicitation and/or Participating Public Agencies. The Participating Public Agency shall notify the Contractor of the applicable pricing/prevailing wage rates and must apply any local wage rates requested. The Contractor and any subcontractor(s) shall comply with the prevailing wage rates set by the Participating Public Agency.

Federal Requirements

If products and services are issued in response to an emergency or disaster recovery the items below, located in this FEMA Special Conditions section of the Federal Funds Certifications, are activated and required when federal funding may be utilized.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

1. CONTRACT REMEDIES

Contracts for more than the federal simplified acquisition threshold (SAT), the dollar amount below which an NFE may purchase property or services using small purchase methods, currently set at $250,000 for procurements made on or after June 20, 2018,4 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and must provide for sanctions and penalties as appropriate.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

1.1 Applicability
This contract provision is required for contracts over the SAT, currently set at $250,000 for procurements made on or after June 20, 2018. Although not required for contracts at or below the SAT, FEMA suggests including a remedies provision.

1.2 Additional Considerations
For FEMA's Assistance to Firefighters Grant (AFG) Program, recipients must include a penalty clause in all contracts for any AFG-funded vehicle, regardless of dollar amount. In that situation, the contract must include a clause addressing that non-delivery by the contract's specified date or other vendor nonperformance will require a penalty of no less than $100 per day until such time that the vehicle, compliant with the terms of the contract, has been accepted by the recipient. This penalty clause should, however, account for force majeure or acts of God. AFG recipients should refer to the applicable year's Notice of Funding Opportunity (NOFO) for additional information, which can be accessed at FEMA.gov.

2. TERMINATION FOR CAUSE AND CONVENIENCE

a. Standard. All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity, including the manner by which it will be effected and the basis for settlement. See 2 C.F.R. Part 200, Appendix II(B).

b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.

3. EQUAL EMPLOYMENT OPPORTUNITY

When applicable:

a. Standard. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4(b), in accordance with Executive Order 11246**,** *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II(C).

b. Key Definitions.

i. Federally Assisted Construction Contract. The regulation at 41 C.F.R. § 60-1.3 defines a "federally assisted construction contract" as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract,

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

loan, insurance, or guarantee under which the applicant itself participates in the construction work.

ii. Construction Work. The regulation at 41 C.F.R. § 60-1.3 defines "construction work" as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

c. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.

d. Required Language. The regulation at 41 C.F.R. Part 60-1.4(b) requires the insertion of the following contract clause.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided,* That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

4. DAVIS-BACON ACT

a. Standard. All prime construction contracts in excess of $2,000 awarded by non- Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148) as supplemented by Department of Labor regulations at 29 C.F.R. Part 5 (Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction). See 2 C.F.R. Part 200, Appendix II(D). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.

b. Applicability. The Davis-Bacon Act applies to the Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program.

c. Requirements. If applicable, the non-federal entity must do the following:

i. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

ii. Additionally, pursuant 2 C.F.R. Part 200, Appendix II(D), contracts subject to the Davis-Bacon Act, must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). The Copeland Anti- Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA.

iii. Include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

Suggested Language. The following provides a sample contract clause:

Compliance with the Davis-Bacon Act.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

a. All transactions regarding this contract shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146-3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.

b. Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.

c. Additionally, contractors are required to pay wages not less than once a week.

5. COPELAND ANTI-KICKBACK ACT

a. Standard. Recipient and subrecipient contracts must include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States").

b. Applicability. This requirement applies to all contracts for construction or repair work above $2,000 in situations where the Davis-Bacon Act also applies. It DOES NOT apply to the FEMA Public Assistance Program.

c. Requirements. If applicable, the non-federal entity must include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). Each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to FEMA. Additionally, in accordance with the regulation, each contractor and subcontractor must furnish each week a statement with respect to the wages paid each of its employees engaged in work covered by the Copeland Anti-Kickback Act and the Davis Bacon Act during the preceding weekly payroll period. The report shall be delivered by the contractor or subcontractor, within seven days after the regular payment date of the payroll period, to a representative of a Federal or State agency in charge at the site of the building or work.

Sample Language. The following provides a sample contract clause:

Compliance with the Copeland "Anti-Kickback" Act.

a. Contractor. The contractor shall comply with 18 U.S.C. §874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

b. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

c. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. §5.12."

6. CONTRACT WORK HOURS AND SAFETY STANDARDSACT

a. Standard. Where applicable (see 40 U.S.C. §§ 3701-3708), all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II(E). Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Further, no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous.

b. Applicability. This requirement applies to all FEMA contracts awarded by the non- federal entity in excess of $100,000 under grant and cooperative agreement programs that involve the employment of mechanics or laborers. It is applicable to construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

c. Suggested Language. The regulation at 29 C.F.R. § 5.5(b) provides contract clause language concerning compliance with the Contract Work Hours and Safety Standards Act. FEMA suggests including the following contract clause:

Compliance with the Contract Work Hours and Safety Standards Act.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in suchworkweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The Federal agency or loan/grant recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

7. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT ORAGREEMENT

a. Standard. If the FEMA award meets the definition of "funding agreement" under 37C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the non- Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II(F).

b. Applicability. This requirement applies to "*funding agreements*," but it DOES NOT apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as FEMA awards under these programs do not meet the definition of "funding agreement."

c. Funding Agreements Definition. The regulation at 37 C.F.R. § 401.2(a) defines "funding agreement" as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

8. CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

a. Standard. If applicable, contracts must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q.) and the Federal Water Pollution Control Act

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II(G).

b. Applicability. This requirement applies to contracts awarded by a non-federal entity of amounts in excess of $150,000 under a federal grant.

c. Suggested Language. The following provides a sample contract clause.

Clean Air Act

1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

3. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

9. DEBARMENT AND SUSPENSION

a. Standard. Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and Suspension* (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension).

b. Applicability. This requirement applies to all FEMA grant and cooperative

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

agreement programs.

c. Requirements.

i. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II(H); and 2 C.F.R. § 200.213. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530.

ii. In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipients.

iii. Specifically, a covered transaction includes the following contracts for goods or services:

1. The contract is awarded by a recipient or subrecipient in the amount of at least $25,000.

2. The contract requires the approval of FEMA, regardless of amount.

3. The contract is for federally-required audit services.

4. A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of $25,000.

d. Suggested Language. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified.

Suspension and Debarment

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000,

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by the Participating Public Agency. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Participating Public Agency, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

10. BYRD ANTI-LOBBYING AMENDMENT

a. Standard. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. FEMA's regulation at 44 C.F.R. Part 18 implements the requirements of 31 U.S.C. § 1352 and provides, in Appendix A to Part 18, a copy of the certification that is required to be completed by each entity as described in 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Federal awarding agency.

b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs. Contractors that apply or bid for a contract of $100,000 or more under a federal grant must file the required certification. See 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

c. Suggested Language.

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

d. Required Certification. If applicable, contractors must sign and submit to the non-federal

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

entity the following certification.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Genetec Inc. , certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

11. PROCUREMENT OF RECOVERED MATERIALS

a. Standard. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. See 2 C.F.R. Part 200, Appendix II(J); and 2 C.F.R. §200.322.

b. Applicability. This requirement applies to all contracts awarded by a non- federal entity under FEMA grant and cooperative agreement programs.

c. Requirements. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds
$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

d. Suggested Language.

i. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—
   1. Competitively within a timeframe providing for compliance with the contract performance schedule;
   2. Meeting contract performance requirements; or
   3. At a reasonable price.

ii. Information about this requirement, along with the list of EPA- designated items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program.

iii. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act."

12. **DOMESTIC PREFERENCES FOR PROCUREMENTS**

As appropriate, and to the extent consistent with law, CONTRACTOR should, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products or materials produced in the United States. This includes, but is not limited to, iron, aluminum, steel, cement, and other manufactured products.

Applicability For purchases in support of FEMA declarations and awards issued on or after November 12, 2020, all FEMA recipients and subrecipients are required to include in all contracts and purchase orders for work or products a contract provision encouraging domestic preference for procurements.

Domestic Preference for Procurements As appropriate, and to the extent consistent with law, the contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For purposes of this clause: Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber."

13. **ACCESS TO RECORDS**

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

a. Standard. All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff. Recipients must give DHS/FEMA access to, and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations *and* other applicable laws or program guidance. See DHS Standard Terms and Conditions: Version 8.1 (2018). Additionally, Section 1225 of the Disaster Recovery Reform Act of 2018 prohibits FEMA from providing reimbursement to any state, local, tribal, or territorial government, or private non-profit for activities made pursuant to a contract that purports to prohibit audits or internal reviews by the FEMA administrator or Comptroller General.

Access to Records. The following access to records requirements apply to this contract:

i. The Contractor agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

ii. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

iii. The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

iv. In compliance with the Disaster Recovery Act of 2018, the Participating Public Agency and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

14. CHANGES

a. Standard. To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope.

b. Applicability. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

15. DHS SEAL, LOGO, AND FLAGS

a. Standard. Recipients must obtain permission prior to using the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials. See DHS Standard Terms and Conditions: Version 8.1 (2018).

b. Applicability. FEMA recommends that all non-Federal entities place in their contracts a provision that a contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

c. "The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

16. COMPLIANCE WITH FEDERAL LAW, REGULATIONS, AND EXECUTIVE ORDERS

a. Standard. The recipient and its contractors are required to comply with all Federal laws, regulations, and executive orders.

b. Applicability. FEMA recommends that all non-Federal entities place into their contracts an acknowledgement that FEMA financial assistance will be used to fund the contract along with the requirement that the contractor will comply with all applicable Federal law, regulations, executive orders, and FEMA policies, procedures, and directives.

c. "This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives."

17. NO OBLIGATION BY FEDERAL GOVERNMENT

a. Standard. FEMA is not a party to any transaction between the recipient and its contractor. FEMA is not subject to any obligations or liable to any party for any matter relating to the contract.

b. Applicability. FEMA recommends that the non-Federal entity include a provision in its contract that states that the Federal Government is not a party to the contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

c. "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

18. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

a. Standard. Recipients must comply with the requirements of The False Claims Act (31 U.S.C. §§ 3729-3733) which prohibits the submission of false or

fraudulent claims for payment to the federal government. See DHS Standard Terms and Conditions: Version 8.1 (2018); and 31 U.S.C. §§ 3801-3812, which details the administrative remedies for false claims and statements made. The non-Federal entity must include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.

b. Applicability. FEMA recommends that the non-Federal entity include a provision in its contract that the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to its actions pertaining to the contract.

c. "The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this contract."

d. In the event FTA or DOT funding is used by a Participating Public Agency, Contractor further acknowledges U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, and apply to its actions pertaining to this Contract. Upon execution of the underlying Contract, Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to me made, pertaining to the underlying Contract or the FTA assisted project for which this Contract Work is being performed.

Prior to completion and signature of this document, we kindly request the opportunity to discuss how this integrates and applies to our business model.

In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.

Contractor also acknowledges that if it makes, or causes to me made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307 (n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor agrees to include the above clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

Offeror agrees to comply with all terms and conditions outlined in the FEMA Special Conditions section of this solicitation.

Offeror's Name: Genetec Inc.

Address, City, State, and Zip Code: 2280 Alfred-Nobel Blvd, Montreal, QC, H4S2A4, Canada

MANDATORY AFFIRMATIVE ACTION LANGUAGE

PROCUREMENT, PROFESSIONAL AND SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of it testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of $17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
    a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
    b. A public agency using these forms **should edit them to properly reflect the correct legislative district**(s). As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
    c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
    d. The form may be used "as-is", subject to edits as described herein.
    e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
    f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
    - of the public entity awarding the contract
    - of that county in which that public entity is located
    - of another public entity within that county
    - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed $300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Required Pursuant to N.J.S.A. 19:44A-20.26

This form or its permitted facsimile must be submitted to the local unit no later than 10 days prior to the award of the contract.

BID SOLICITATION # AND TITLE: _____

VENDOR NAME: _____

Pursuant to N.J.S.A. 52:32-57, et seq. (P.L. 2012, c.25 and P.L. 2021, c.4) any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must certify that neither the person nor entity, nor any of its parents, subsidiaries, or affiliates, is identified on the New Jersey Department of the Treasury's Chapter 25 List as a person or entity engaged in investment activities in Iran. The Chapter 25 list is found on the Division's website at https://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf. Vendors/Bidders must review this list prior to completing the below certification. If the Director of the Division of Purchase and Property finds a person or entity to be in violation of the law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

CHECK THE APPROPRIATE BOX

☐ I certify, pursuant to N.J.S.A. 52:32-57, et seq. (P.L. 2012, c.25 and P.L. 2021, c.4), that neither the Vendor/Bidder listed above nor any of its parents, subsidiaries, or affiliates is listed on the New Jersey Department of the Treasury's Chapter 25 List of entities determined to be engaged in prohibited activities in Iran.

OR

☐ I am unable to certify as above because the Vendor/Bidder and/or one or more of its parents, subsidiaries, or affiliates is listed on the New Jersey Department of the Treasury's Chapter 25 List. I will provide a detailed, accurate and precise description of the activities of the Vendor/Bidder, or one of its parents, subsidiaries or affiliates, has engaged in regarding investment activities in Iran by completing the information requested below.

Entity Engaged in Investment Activities _____
Relationship to Vendor/ Bidder _____
Description of Activities _____
_____
_____
Duration of Engagement _____
Anticipated Cessation Date _____
**Attach Additional Sheets If Necessary.*

CERTIFICATION

I, the undersigned, certify that I am authorized to execute this certification on behalf of the Vendor, that the foregoing information and any attachments hereto, to the best of my knowledge are true and complete. I acknowledge that the State of New Jersey is relying on the information contained herein, and that the Vendor is under a continuing obligation from the date of this certification through the completion of any contract(s) with the State to notify the State in writing of any changes to the information contained herein; that I am aware that it is a criminal offense to make a false statement or misrepresentation in this certification. If I do so, I may be subject to criminal prosecution under the law, and it will constitute a material breach of my contract(s) with the State, permitting the State to declare any contract(s) resulting from this certification void and unenforceable.

CERTIFICATION OF NON-INVOLVEMENT IN PROHIBITED ACTIVITIES IN RUSSIA OR BELARUS

Pursuant to N.J.S.A. 52:32-60.1, et seq. (L. 2022, c. 3) any person or entity (hereinafter "Vendor[i]") that seeks to enter into or renew a contract with a State agency for the provision of goods or services, or the purchase of bonds or other obligations, must complete the certification below indicating whether or not the Vendor is identified on the Office of Foreign Assets Control (OFAC) Specially Designated Nationals and Blocked Persons list, available here: https://sanctionssearch.ofac.treas.gov/. If the Department of the Treasury finds that a Vendor has made a certification in violation of the law, it shall take any action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

I, the undersigned, certify that I have read the definition of "Vendor" below, and have reviewed the Office of Foreign Assets Control (OFAC) Specially Designated Nationals and Blocked Persons list, and having done so certify:

(Check the Appropriate Box)

○ A. That the Vendor is not identified on the OFAC Specially Designated Nationals and Blocked Persons list on account of activity related to Russia and/or Belarus.

OR

○ B. That I am unable to certify as to "A" above, because the Vendor is identified on the OFAC Specially Designated Nationals and Blocked Persons list on account of activity related to Russia and/or Belarus.

OR

○ C. That I am unable to certify as to "A" above, because the Vendor is identified on the OFAC Specially Designated Nationals and Blocked Persons list. However, the Vendor is engaged in activity related to Russia and/or Belarus consistent with federal law, regulation, license or exemption. A detailed description of how the Vendor's activity related to Russia and/or Belarus is consistent with federal law is set forth below.

EEOAA EVIDENCE

Equal Employment Opportunity/Affirmative Action
Goods, Professional Services & General Service Projects

EEO/AA Evidence

Vendors are required to submit evidence of compliance with N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27 in order to be considered a responsible vendor.

One of the following must be included with submission:

- Copy of Letter of Federal Approval
- Certificate of Employee Information Report
- Fully Executed Form AA302
- Fully Executed EEO-1 Report

See the guidelines at: https://www.state.nj.us/treasury/contract_compliance/documents/pdf/guidelines/pa.pdf for further information.

I certify that my bid package includes the required evidence per the above list and State website.

MACBRIDE-PRINCIPLES

STATE OF NEW JERSEY

DEPARTMENT OF THE TREASURY - DIVISION OF PURCHASE AND PROPERTY 33 WEST STATE STREET, P.O. BOX 230 TRENTON, NEW JERSEY 08625-0230

BID SOLICITATION # AND TITLE: _____

VENDOR NAME: _____

Pursuant to Public Law 1995, c. 134, a responsible Vendor/Bidder is required to provide a certification in compliance with the MacBride Principles and Northern Ireland Act of 1989. Pursuant to N.J.S.A. 52:34-12.2, Vendor/Bidder must complete the certification below by checking one of the two options listed below and signing where indicated. If a Vendor/Bidder that would otherwise be awarded a purchase, contract or agreement does not complete the certification, then the Director may determine, in accordance with applicable law and rules, that it is in the best interest of the State to award the purchase, contract or agreement to another Vendor/ Bidder that has completed the certification and has submitted a bid within five (5) percent of the most advantageous bid. If the Director finds contractors to be in violation of the principles that are the subject of this law, he/she shall take such action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

I, the undersigned, on behalf the Vendor/Bidder, certify pursuant to N.J.S.A. 52:34-12.2 that:

CHECK THE APPROPRIATE BOX

☐ The Vendor/Bidder has no business operations in Northern Ireland; or

OR

☐ The Vendor/Bidder will take lawful steps in good faith to conduct any business operations it has in Northern Ireland in accordance with the MacBride principles of nondiscrimination in employment as set forth in section 2 of P.L. 1987, c. 177 (N.J.S.A. 52:18A-89.5) and in conformance with the United Kingdom's Fair Employment (Northern Ireland) Act of 1989, and permit independent monitoring of its compliance with those principles.

CERTIFICATION

I, the undersigned, certify that I am authorized to execute this certification on behalf of the Vendor, that the foregoing information and any attachments hereto, to the best of my knowledge are true and complete. I acknowledge that the State of New Jersey is relying on the information contained herein, and that the Vendor is under a continuing obligation from the date of this certification through the completion of any contract(s) with the State to notify the State in writing of any changes to the information contained herein; that I am aware that it is a criminal offense to make a false statement or misrepresentation in this certification. If I do so, I may be subject to criminal prosecution under the law, and it will constitute a material breach of my contract(s) with the State, permitting the State to declare any contract(s) resulting from this certification void and unenforceable.

For material changes, the awarded contract holder and/or subsequent assignee agrees to and understands the following principles:

i. **Contract holder reference**. If the contract holder undergoes a merger, acquisition, or partial assignment, in which case they still maintain the contract, then all transactions made under the existing contract number (including purchase orders) must reference the name of the awarded contract holder. The exception to this requirement is if the contract holder no longer holds the contract or if the company has been acquired by another company and undergone a name change. Notice of the authorized name change, to the existing contract, must be provided and approved by Region 4.

In instances where the contract holder has acquired a separate and distinct company, and it is necessary to designate those certain purchases facilitated by the non-contract holder, then this designation may be made if, and only if, the contract holder is also referenced on the transaction.

ii. **Maintenance of records**. Both the awarded contract holder and subsequent assignee agree to remain responsible for maintaining all auditable records, including documents kept in the ordinary course of business and sales invoices, related to OMNIA Partners, Public Sector and/or contract number pursuant to the statutory requirements identified in the vendor contract.

iii. **Payments**. Both the awarded contract holder and subsequent assignee agree that all payments made by participating entities must be made directly to the contract holder, unless otherwise approved by Region 4. Accordingly, both parties acknowledge that in instances where it is necessary to designate the purchases facilitated by assignee, that the contract holder must also be referenced on the purchase order.

iv. **Handling of Proprietary and/or Confidential Information**. In accord with the terms of the contract, both awarded vendor and assignee agree that at all times it will hold in strict confidence and not disclose to any third party Confidential and/or Proprietary information of Region 4, except as approved in writing by Region 4, and will use the Confidential Information for no purpose other than providing services under the contract. Both awarded vendor and assignee shall only permit access to Confidential Information to those of its employees or authorized representatives having a need to know and who have signed confidentiality agreements or are otherwise bound by confidentiality obligations at least as restrictive as those contained herein.

This document is to be construed in strict accordance with the terms and conditions outlined in the Region 4/vendor Master Agreement referenced herein. Both awarded vendor and assignee agree to uphold the vendor obligations set forth in the vendor agreement. This Agreement will become effective when signed by all parties.
