

LICENSE AGREEMENT

This License Agreement, ("License") is made and entered into on this ____ day of March, 2024, ("Effective Date"), by and between the City of Delray Beach (hereinafter referred to as the "City"), whose address is 100 NW 1st Ave Delray Beach FL 33444, and PALMS OF DELRAY, INC., a Florida corporation (hereinafter referred to as "Owner"), whose address is 1001 East Atlantic Avenue, Suite 202, Delray Beach, Florida 33483. City and Owner, collectively the "Parties," hereby agree as follows:

1. The City adopted a License Plate Recognition Camera ("LPR") program which seeks the placement of certain equipment adjacent to Linton Blvd. The equipment consists of one (1) twenty-foot (20') pole which may contain up to three (3) LPR cameras, and one (1) closed circuit television camera (the "Equipment").

2. The Owner owns real property located at 1350 West Linton Blvd, Delray Beach, FL 33444, (the "Property"). Owner hereby grants to the City a non-exclusive license on a portion of the Property for the placement of the Equipment at the location identified in Exhibit A, or such other location agreed upon in writing by the parties, ("License Area") subject to the terms and conditions set forth in this License. The grant of this License is limited only to the License Area. The City shall not interfere with or disturb the conduct of business operations on the Property in performing the work pursuant to this License or in connection with the placement and operation of the Equipment or its entry upon or use of the License Area.

3. The City shall solely be responsible for all costs relating to the installation and maintenance of the Equipment within the License Area. Installation and maintenance of the Equipment within the License Area shall be coordinated with Owner. Further, Owner shall be responsible for all costs associated for the LPR's electric utility. The City shall ensure that the installation and maintenance of the Equipment within the License Area complies with all laws and ordinances and that the installers and those performing services to the equipment are qualified, licensed, and insured.

4. The location of the Equipment shall be made with consultation and with the written consent of Owner. Initial landscaping and ongoing landscaping shall be the responsibility of the City for the immediate area of the Equipment and with the written consent of Owner. The City shall return the License Area to the same condition that existed as of the Effective Date. Prior to entry upon the License Area, the City shall provide at least 48 hours' prior notice to Owner of City's requested time and date for entry and access to the License Area. Should there be an emergency or need for immediate entry by the City, notice shall not be required, however, the City shall provide subsequent notice to Owner after entry.

5. The period for the placement and operation of the equipment shall be for an ongoing, continual period until canceled by either party under the terms of this License. Either party may terminate this License by giving the other thirty (30) days written notice of termination. In the event that termination occurs, the City shall be given ninety (90) days to remove the equipment and repair the immediate area from which the equipment was removed. In the event the City fails to remove the Equipment pursuant to this License, Owner may remove the Equipment

with no further liability or obligation to the City. In the event Owner removes the Equipment pursuant to this section, Owner shall return the Equipment to the City within thirty (30) days after removal.

6. Subject to the limits set forth in Section 768.28, Florida Statutes, the City shall indemnify, hold harmless, and defend the Owner against any and all damages, claims, liabilities, losses, obligations, penalties, litigation, expenses of any kind or nature and/or any causes of action which may arise from and are directly related to this License or the Equipment installed by the City, which obligations shall survive the expiration of this License. Nothing in this provision shall constitute consent by the City to be sued or as a waiver of sovereign immunity beyond the limits set forth at Section 768.28, Florida Statutes.

7. Neither party may assign their rights to another party.

8. Except as otherwise provided herein, any notice, request or other instrument or communication authorized or required to be given under this License by City or Owner shall be in writing and deemed given if addressed to the party intended to receive the same, at the address of such party set forth below when delivered at such address by overnight delivery service.
