Subject: Review and Possible Action on a Five-Year Agreement with Flock Group, Inc. for Flock Safety Platform	

Details:

Flock Safety Technology integrates with the National Crime Information Center (NCIC) to provide alerts to dispatch and patrol officers on vehicle license plates associated with outstanding warrants, missing persons, and stolen vehicles. We previously were approved and entered into a Contract in 2023 with Flock Safety for (10) cameras. We requested and received approval in 2024 to add (9) cameras through CIP. As of April, 2023, the cost of the cameras increased by \$500 for any extra cameras added to our contract. However, if we finalize the new contract by the end of the year, they will honor our existing rate. We were approved through Account # 0420-2166-49110 for a total of \$286,500 over (5) years. The attached contract is for \$284,350 for (5) years.

Options & Alternatives:

Don't add any additional cameras

Financial Remarks:

\$500 per camera savings if Contract is signed in 2023.

Executive Recommendation:

Recommended for approval
